URGENT

DISSEMINATE THIS DOCUMENT OF

PETITIONS TO

THE HOLY

ROSARY

TO AVOID/MITIGATE/DIMINISH THE EFFECTS OF A

THIRD WORLD WAR AND/OR IMMINENT NUCLEAR HOLOCAUST (Would cause death from hunger, cold, and radiation-induced disease/nuclear winter for 99% of the world's population within 10 to 20 years)

Who prays the Holy Rosary of the Blessed Virgin Mary every day he receives a profound grace: the ability to clearly distinguish the Divine Christian Reality from illusion **Satanic/Luciferian** that underlies almost all the evils that plague humanity. This illusion is the hidden force behind conflicts in human society, addictions, deadly diseases, divorce, hunger, war, murder, human rights violations, the erosion of freedom, the promotion of ignorance, and the spread of hatred.

🙏 Through the Holy Rosary, one can effectively combat the seven deadly sins, especially the most lethal of all: **pride**, which is the root of rebellion against God.

📖 However, this spiritual mission is not complete without reading and fully understanding the document (this very document) "**33 Petitions to the Holy Rosary**", available at the following link:

🔗 <https://mcortesgranados.github.io/PETICIONES-SANTO-ROSARIO.pdf>

🕯 As explicitly stated in paragraph 19, page 10, in the **Petition to the Holy Rosary A**, Once a person reads this message and its content, he becomes **spiritually responsible to God**. Each soul must then seriously discern whether to accept the daily commitment to pray the Holy Rosary and reflect deeply on the 33 petitions listed in the PDF document mentioned above.

❤️ If this sacred calling is welcomed with sincerity of heart, **God's blessings overflowed**, not only on the person, but also on their family, friends, and everyone around them. These blessings can bring **immeasurable benefits** to all humanity, offering **divine protection and grace** that can avoid their spiritual and literal fall. 🌱 💙

⚠️ But if this divine invitation is rejected—for **indifference, negligence or contempt**, the consequences are **serious**. The person may lose the **maternal protection of the Blessed Virgin Mary** and with it, the support of the angelic hosts. Spiritually abandoned, she becomes vulnerable to the deceptions and attacks of **Satan**, the true architect of almost all the evils of this world. 🕯️ 🐸

RACE- <https://mcortesgranados.github.io/PETICIONES-SANTO-ROSARIO.pdf> (Version 25 May 2025 6:19 AM)**

💔 And by rejecting this call, consciously or unconsciously, that person **would collaborate with the plans of Satan**, thus contributing to the possible damnation of countless souls around the world. This negligence could lead, directly or indirectly, to the outbreak of a **Third World War**, a global catastrophe with disastrous consequences, including the escalation to the use of **nuclear weapons**, that would bring **destruction not only material**, but also to **spiritual destiny of almost 90% of humanity**.

Ref.: DISSEMINATION OF PETITIONS TO THE HOLY ROSARY OF THE BLESSED VIRGIN MARY TO DELAY/STOP THE WIDESPREAD WORLDWIDE APOSTASY AND THE FUTURE DESTRUCTION OF THE HUMAN RACE

Dear Marian Catholic brother/sister:

The purpose of this letter is to present you with a list of petitions designed to be incorporated into the prayer of the Holy Rosary. The main reasons for widely distributing this petition document to all those praying the Holy Rosary are the following:

At the end of the 19th century, according to revelations to Pope Leo XIII (Gioacchino Vicenzo Raffaele Luigi Pecci, pontificate: 1878 - 1903), Satan has been given absolute power to destroy the church and humanity in general more or less since that time, until the present day, and this phenomenon can be clearly seen that, with the passage of time, since the following facts have increased significantly:

1. 1. Wars (Now that World War III has begun with Iran's recent attack on Israel on October 1, 2024, all that remains is to take these requests into account to lessen its future and serious effects).
2. 2. The destruction of the Catholic vocation, the practice of Catholicism, and the Christian faith in general throughout the world.
3. 3. Persecution of the Roman Catholic Church on various fronts and in various ways.
4. 4. The sudden, exaggerated, and constant increase in the prices of basic supplies and services without full justification and/or justification based on calculated lies/loss of purchasing power, all with the aim of destroying a country institutionally.
5. 5. Hunger.
6. 6. Abortion.
7. 7. Suicide.
8. 8. The production, distribution, promotion, and consumption of psychoactive substances, and especially the configuration of a supply chain from production to retail distribution with full coverage in almost all commercial establishments and on an extremely massive scale to the entire population, through legislative initiatives aimed at legalizing drugs/psychoactive substances.
9. 9. Widespread hopelessness.
10. 10. Unemployment.
11. 11. The total abandonment of single mothers who are heads of households.
12. 12. The destruction and persecution of families composed strictly of a man and a woman (a woman with the physical and biological capacity to conceive and/or bear children), especially when the system of government and/or the status quo does not guarantee the weaker member of the marital union, that is, the woman, her minimum fundamental rights to guarantee her physical and mental integrity, personal, professional, economic, and human development, and does not guarantee adequate mechanisms of effective legal justice to macho men of the masculine gender who, through acts of domestic violence against women, infidelity, waste of economic resources in acts of moral perdition, to the detriment of

meeting the needs of the family unit, and lack of diligence and responsibility in providing for their wives and children, lead to the destruction of their own families and/or family units.

13. 13. The abuse of minors.

14. 14. Human trafficking/migrant smuggling/illegal recruitment/ and allowing the creation of pornographic websites of all kinds with virtually no institutional/technological/legal restrictions.

The Blessed Virgin Mary promises that anyone who includes these petitions in their prayers, preferably one a day, every day in the recitation of the Holy Rosary, will be granted privileged and favorable treatment on the Day of Final Judgment, and their stay in purgatory will be as manageable, brief, and relieved as possible.

By including these petitions, attached to this letter, in their prayers, and especially in the recitation of the Holy Rosary, the Blessed Virgin Mary, as Queen of the Angels, grants permission from the divine will to use her full powers and to facilitate these powers throughout the angelic world, especially the heavenly militia commanded by Saint Michael the Archangel, to combat/reduce/destroy all the evil works and schisms carried out by Satan during the last 100 years and a little more on earth.

We invite you to review/evaluate/widely disseminate these petitions by all possible means.

I appreciate your attention to this letter, and I hope you find the merit to carry out the actions requested in this letter, to serve as an Apostle of the end times, to ensure the triumph of the Immaculate Heart of the Blessed Virgin Mary and the Sacred Heart of Our Lord Jesus Christ.

If you have any comments, please let me know via WhatsApp at the number indicated in the signature. If you would like a copy of this petition document in PDF format, and if you would like to order/request (FREE OF CHARGE) 10 physical copies of this document (printed in color) to distribute in your community and/or congregation, you can make the request at the WhatsApp number at the bottom of this letter, or send the request to one of the email addresses listed within.

Likewise, if you see a person who is humble in every sense, especially in his heart (a rural dweller/peasant, homeless person, man or woman from strata 1 and 2, or an ordinary worker who works hard for a basic living, such as, for example, a street vendor) I beg you to ask this person to pray, and in his prayer to give thanks for the blessings received, and in passing ask for the conversion of the world, for the Catholic clergy and for sinners, men and women alike. This is asked, by virtue of what is written in the paragraph **320 from the Diary The Divine Mercy in my soul, by Saint Maria Faustina Kowalska** (1905-1938) which corresponds, according to this book, to a direct revelation from our Lord Jesus Christ to Saint Faustina, which the Lord Jesus Christ said to Saint Faustina:

***The prayer of a humble and loving soul
appeases My Father's wrath and attracts an
ocean of blessings.***

[1] This text, which contains a list of requests which should be included in the Prayers of the **Holy Rosary, The Prayer of the Way of the Cross (15 stations)** along with the **Chaplet of Divine Mercy** which should be prayed at 3:00 AM and 3:00 PM (3:00 AM because it was the hour of the resurrection of our Lord Jesus Christ on a Sunday, and 3:00 PM the hour of his death on a Friday, and by virtue of the revelation of the Lord Jesus Christ to Saint Faustina Kowalska, in which she was told, according to the instructions given and described in great detail in the diary of Saint Faustina Kowalska, : *At three o'clock, pray for My mercy, especially for sinners, and even if only for a very brief moment, immerse yourself in My Passion, especially in My abandonment at the moment of My agony. This is the hour of great mercy for the whole world. I will allow you to penetrate My mortal sadness. At this hour, nothing will be denied to the soul that asks for it through the merits of My Passion..."*) and the prayer of **Saint Gertrude the Great** who frees 50,000 souls from purgatory, and in which a request is included so that these souls, once they are already in Glory, include these requests in their prayers, as such.

[2] These requests are based on the vision of Pope Leo XIII (Gioacchino Vicenzo Raffaele Luigi Pecci – Papacy period: 1878-1903) which took place on June 6, 1884, when the Pope, after celebrating the Mass of St. Pius V in Latin, during the thanksgiving in the private chapel of the Vatican, saw horrible things: "*I saw demons, and I heard their gnashing, their blasphemies, and their mockery. I heard the cavernous, bloodcurdling voice of Satan challenging Our Lord Jesus Christ.*". He told him that he could destroy the Catholic Church and take all souls to hell, if God gave him enough time and power.

RACE- <https://mcortesgranados.github.io/PETICIONES-SANTO-ROSARIO.pdf> (Version 25 May 2025 6:19 AM)**

Satan He asked God for permission to live 100 years so he could influence the world as he had never been able to before. Pope Leo XIII saw that the devil was asking for a time to test the Church's fidelity, and God, in his inscrutable designs, granted it to him. The Pope noted how, beginning in the 20th century, legions of demons emerged from hell like black shadows, invading the earth. In prayer before the Blessed Sacrament, Leo XIII understood the great importance that the Archangel Saint Michael would have in this spiritual struggle (Daniel 12:1), and that he was the one destined by God to chain and imprison all demons in the abyss (Revelation 20:1-3).

[3] In that order of ideas, these requests are the result of having prayed the Prayer of Exorcism of Saint Michael the Archangel, written by Pope Leo XIII.

[4] The objective is to include these requests in the prayers already mentioned above, so that the angel soldiers of the heavenly militia, whose commander is Saint Michael the Archangel and the chief of this blessed angel is the Blessed Virgin Mary, who are now ready to repel the great and supremely massive attack and entry of demons in these times (*every day thousands/millions of demons come out of hell to earth to create disasters, and this is growing very considerably in current times, making clear the date of preparation of this paragraph, August 18, 2022*), so that with the Prayers and with the realization of these petitions, these Militant Angels, in the prayer made by a man and a woman still living on earth, have the authorization approval of the Divine Will that are The Most Holy Trinity and the Most Holy Virgin Mary, so that they, in their attack on the demons and the defense of the human race, are enabled to use elements of infinite celestial grace, which in turn are powerful weapons, to repel and counteract the attack and the effect of these, which in these days enter the earth in the order of millions, daily.

[5] To the extent that these petitions are widely disseminated and included in the respective prayers, this will weaken Satan and his legions in their persistent intention to destroy the human race based on the seven deadly sins mentioned below:

[6]

DEADLY SIN	REAL LIFE EXAMPLE	CHRISTIAN VIRTUE IN CONTRAST TO THE RESPECTIVE DEADLY SIN
Pride	Believing oneself to be superior to others due to economic, professional, intellectual circumstances, good health and/or physical appearance and, in this order of ideas, attacking one's neighbor with regard to lack of charity and mercy, Undermining the fundamental rights of other different population groups due to any circumstance of race, national origin, sexual and/or gender orientation, social group, stratum, religion (Acts of discrimination and segregation).	Modesty
Avarice	Seeking to accumulate material goods at all costs, driven by the pride of seeing oneself or giving the impression of being superior to others because one has more money and assets, or worse still, by the desire to obtain wealth, resorting to immoral practices aided by legal or illegal strategies.	Generosity
Lust	Giving free rein to acts/thoughts/situations/passions/emotions related to intimacy and sexuality/physical sexual relations as a couple with other people who are not the man or woman who have the role of partner or spouse, in a duly established relationship (<i>marriage</i>), All with the sole purpose of destroying couples and families made up of a man, a woman, and children. Or, in effect, even sexual relations that are not intended for procreation, even if the sexual relationship is between a heterosexual man and woman.	Chastity
Gonna	Extreme hatred reflected in personal conflicts/cohabitation situations and/or resulting in acts of personal injury and/or homicide.	Patience

RACE- <https://mcortesgranados.github.io/PETICIONES-SANTO-ROSARIO.pdf> (Version 25 May 2025 6:19 AM)**

Gluttony	Spending more than necessary, very often on relatively high food costs (fancy restaurants, for example), when part of the money spent could be used to share with people with lower incomes or those in need in many ways. Alcohol and/or substance abuse habits also apply here. Excessive spending on clothing and/or overly expensive items, under the pretext that they are designer clothes.	Temperance
Envy	Not being at peace with oneself by not accepting one's own abilities and limitations in a noble and humble manner, in relation to the limitations, abilities, and blessings/attributions of others, and consequently, harming others.	Charity
Laziness	Lack of willpower and energy for daily tasks and facing life's challenges to contribute to society. Lack of diligence when it comes to intellectual (studying a career) or spiritual (praying the Rosary daily) or social (volunteering) tasks.	Diligence

[7] HOW TO INCLUDE THESE PETITIONS WITHIN THE HOLY ROSARY/CHAPLET OF DIVINE MERCY/PRAYER TO SAINT GERTRUDE THE GREAT?

[8] One petition must be included for each day of the month, i.e., petition numbered one (1) must be carried out on the first day of the month, petition number two (2) on the second day of the month, and so on. The following must be added at the end of the petition:

[9] *"We ask you, God, we pray and we implore you, Eternal Father, that the petition/petitions/intentions we have just read today may come true for the present day, for the remaining days of the present month, and all the days of the coming month and the months that follow, throughout the world and forever, Amen. And we ask you, Lord Jesus Christ, for your intercession before God the Father, and we ask you, Most Holy Virgin Mary, for your intercession before our Lord Jesus Christ and God the Father, through the prayer of the Holy Rosary that will be said below or the one that was already said today, so that the petitions and supplications we have just made today may be heard before God"*

 on, throughout the earth and forever, Amen. We ask the
 previously requested supplications in the name of our Lord Jesus

(*For more information, see also paragraph 476 of Diary of St. Faustina Kowalska, available at Catholic bookstores https://www.corazones.org/santos/faustina_diario.pdf.*)] **THE GREAT IMPORTANCE OF PRAYING THE WAY OF THE CROSS AT 3:00 AM AND/OR 3:00 PM IN ADDITION TO THE HOLY ROSARY OF THE BLESSED VIRGIN MARY: (September 18, 2024, 3:57 PM)** I ask you, God the Father of Mercy, with humility and fervor, to enlighten and increase the understanding of all men and women regarding the profound mystery and importance of praying the Stations of the Cross at 3:00 AM and 3:00 PM. We know that 3:00 PM was the moment when our Lord Jesus Christ gave His life on the cross, shedding His blood and water for our redemption. This supreme act of sacrifice, sealed by the Roman soldier's spear thrust into the right side of our Lord on the day of His death, became the price of our salvation. We also ask you to help us understand that 3:00 AM is the hour of the glorious Resurrection of our Lord Jesus Christ, a moment of hope and victory over death and sin. In these sacred hours, especially at three in the morning or 3:00 AM, when we gather to pray the Stations of the Cross (*The extended version of the Stations of the Cross prayer by St. Alphonsus Maria de Liguori is recommended. February 16, 2025, 4:58 AM*), We seek not only to remember His passion and death, but also to experience His resurrection and transformative power. While with the Rosary we turn to the intercession of the Blessed Virgin Mary, in the Stations of the Cross we turn directly to Our Lord Jesus Christ, asking Him to facilitate and take into account the intercession of the Blessed Virgin Mary. By uniting our prayers through these practices, we seek the presence of the Blessed Virgin Mary to guide us and draw us closer to Our Lord Jesus Christ, helping us to fully

not fulfill this responsibility, his soul is exposed to a very long time in purgatory or even to eternal damnation in the hell, unless through negligence and lack of good will and diligence, by not taking this document into account at all, the divine will decides the salvation of his soul through a process of tribulation here on earth, long and painful, starting today, for this and his loved ones of first degree of consanguinity, this in order to guarantee the salvation of his soul and allow the entrance of this at least to purgatory, after having paid his respective punishment on earth, tribulation and suffering which can only be lessened with the daily prayer of the Holy Rosary, and the prayer of the Stations of the Cross and the Chaplet of Divine Mercy at 3:00 PM and above all and very especially, at 3:00 AM (Three in the morning sharp) (Text added June 11, 2023, 5:19 AM) Allow people who include these requests in their prayers to know the great importance and great power of these and their respective prayers (*taking into account that the petitions address complex issues of global impact and magnitude*) For the purposes of fulfilling these requests, in the strict measure of these people's respective following of the word of the gospel, of applying all the teachings and following the example of our Lord Jesus Christ completely here on earth, of carrying out abundant and good deeds and/or works of mercy both spiritual and corporal (*see table after this paragraph*) to one's neighbor and not only a good one but an excellent, absolute and perfect example, behavior/lifestyle, based on the seven Christian virtues that are in contrast to the seven deadly sins, which are: **Humility, Generosity, Chastity, Patience, Temperance, Charity and Diligence.**

[20] **Petition to the Holy Rosary [B] (Every day) – Request for prayer of THANKS TO GOD THE FATHER for the little or much that one has, counts and/or receives, for the mystery of the historical fact of the multiplication of the loaves and fishes by our Lord Jesus Christ:** (Text added June 25, 2023 between 5:00 AM and 6:27 AM) I ask you, Most Holy Virgin Mary, to intercede before our Lord Jesus Christ and before God the Father so that, on our part, we may make known and/or give as an offering our most infinite gratitude for the daily bread received every day of our lives, for the possibility of having a moral, legal, dignified and fairly paid job, for physical, mental and spiritual health, the possibility of wearing clean clothes, access to basic personal hygiene items, for having access to an aqueduct system to have drinking water for hydration/personal hygiene/cleaning of our clothes/blankets/sheets/clotheslines, a sewage system for the proper treatment of dirty water and biological waste from our physical bodies, and a roof over our heads to this day, no matter how little or how humble it may be, or even how abundant it may be. (Text added March 5, 2025, 2:43 AM)

BLESSING TO OUR CURRENT EMPLOYERS -> Likewise, for all those people who have been participants, are, or will be responsible, directly or indirectly, for our possibility of having a job with all the conditions of morality, legality, dignity, fair remuneration and / or adequate social benefits, we ask for these people infinite blessings, we ask you God the Father to please have infinite mercy and pity on their souls, that their sins be forgiven, that they and their respective families receive your protection and the protection of the holy

archangels Michael, Gabriel and Raphael, and that the powers and infinite graces which the Angels of Heaven will make available today to fulfill your Holy Will as a result of the reading of these petitions, and the obligatory prayers (*Holy Rosary, Stations of the Cross and complementary Prayer to Saint Gertrude the Great/Chaplet of Saint Michael the Archangel/Chaplet of Divine Mercy*) Part of these graces may be poured out upon these people for the simple fact of guaranteeing ourselves and our family the possibility of a job, a livelihood, and thus being able to guarantee ourselves the daily bread, which only you give us through this blessing, for our physical survival.. (*May 10, 2025, 8:41 AM ->*) Likewise, we ask the above for all those people to whom we send messages of congratulations and good wishes, whether for their birthday and/or any other occasion for a positive circumstance, professional achievement, etc., messages sent by physical and/or digital means on social networks, both informal and professional networks. (*May 14, 2025, 9:09 AM ->*) We ask you for the souls of deceased relatives of these people we have just mentioned who are in purgatory, that their souls be taken into account for their respective relief, consolation and corresponding liberation, with the prayer that will be said today, the prayer of the Holy Rosary and the Prayer of Saint Gertrude the Great, in such a way that once freed, intercede before the divine will, so that their respective descendants of men and women still alive on earth, receive the illumination of the Holy Spirit in such a way as to be able to guarantee that they take the initiative to begin the prayer of the Holy Rosary in their lives, every day from now on and for life. And for all those who, under the influence of evil, do or have done or have done everything possible to prevent us from enjoying decent employment, and have deprived us or any human being of the possibility of a stable livelihood and/or daily bread, we also ask you the above, and that you, God, forgive their sins, allow the enlightenment of the Holy Spirit to come upon these people for their proper conversion, forgive these people, just as we also forgive these people, instead of judging them, or even worse, cursing them, for the fact of causing evil, for the aforementioned. May both the people to whom we send messages with good wishes, as well as those who attacked us for the aforementioned, may the Holy Spirit enlighten these people for their conversion, and may these people take the initiative to say the Holy Rosary from now on.

[21] And likewise, for all those who have received, enjoyed and been blessed even more than those who still have very little to eat, wear, obtain basic medicines in case of illness/medical care and/or sleep at night, we reinforce with all the strength of our body, mind, soul and spirit our thanksgiving to you Lord God the Father. We carry out this petition, by virtue of the explanation of the mystery of the historical event of the **multiplication of the loaves and fishes by our Lord Jesus Christ (Matthew 14:13-21, John 6:5-6)**, which consists in demonstrating that **1) Works, even without prayer, it is essential that they are accompanied by Prayer and in abundance, if they count at all and if they are part of salvation, and the mission of learning and replicating the example of our Lord Jesus Christ on earth, in contrast to the apostate doctrine of the infamous heretic Martin Luther (1483-1546) who wrongly stated that we would only be saved by faith, and that good works were not necessary for this purpose, an apostate and erroneous doctrine which is currently still being spread in the vast majority of false Protestant churches and 2) that a brief but infinite gratitude to God the Father, made with faith and hope for receiving what is asked for or received, especially the daily bread/daily food, as long as it is in accordance with the will of God the Father, allows the multiplication of graces and blessings to be received not only to the person who carries out the gratitude, but to all humanity, given the greatness, power and magnitude of these blessings, this in the case of gratitude for the food received**, and also to the extent of the accumulation of Christian virtues, unrestricted, total and absolute perfection in personal behavior in every sense, the complete, updated and detailed confession of all sins, especially mortal ones, confessed not only to the Catholic priest/confessor but to as many loved ones and acquaintances as possible, **ESPECIALLY THOSE OF FIRST DEGREE OF CONSANGUINITY**, and prayer practically at all times and in all places throughout life, just as our Lord Jesus Christ carried out throughout his stay on this earth, in an absolutely perfect manner, and especially during his first 30 years of earthly existence. And to the extent that prayer of thanksgiving to God the Father for whatever little or much one has received increases day by day, may the power of evil spirits be weakened more and more. Therefore, by virtue of this petition, **Whoever is reading this text must say the following prayer of thanks, every day WITHOUT FAIL.** (*November 7, 2023, 1:36 PM*) Allows those who read this text to be aware of the great importance of carrying out this request of thanks to God the Father, in regards to the other requests that will be carried out later, since by thanking God the Father for the little or much that has been received, in the same way some very great celestial powers and blessings will be enabled, which will be required by the Angels of Heaven as a basic input for the

facilitation and achievement and implementation of the requests mentioned in this document, and those requests that are mentioned out loud today: *Father God, we give you infinite thanks for all the blessings, graces, and nourishment we have received, and especially for having had the good fortune and privilege of enjoying the following blessings from you. We thank you for:*

[22] B.1. *By the simple fact of having the five physical senses, each one working in full operation* (for those who are neither blind, nor deaf, nor dumb). *For the simple fact of being able to walk perfectly without discomfort, pain in the legs/knees/feet and/or without limited mobility condition* (for those who are not in a physical disability and/or limited mobility mode). *I thank you for the simple fact that I have relatively healthy lungs to breathe with. I also thank you for the simple fact of living one more day with an excellent and/or very good state of physical and mental health, and for living in current times with respect to physical health, in the sense that this current era of scientific and technological advances in many fields, especially in medicine and nursing, have been able to guarantee access to medicines and nursing elements to myself, my family, loved ones and acquaintances, for many illnesses, several of them serious, at a very low cost and with easy access, and that factor has notoriously contributed to my person currently enjoying a good or almost excellent state of physical health, and mentally and spiritually free of all serious illness and/or malignant bond of any kind, to live long enough to fulfill my part with the divine plan on earth and in passing do everything possible to purge my faults committed previously up to the present date, in life, in order to avoid eternal damnation, and in passing decrease the very considerable time that with all certainty and security awaits me in purgatory, whose extremely prolonged stay of my soul in this last place is just a basic and indispensable requirement for me to deserve to enter Heaven.* (Alcoholism/drug addiction/serious psychiatric problems)

[23] B.2. *For the physical father and mother assigned to me in this life, who with their work, effort, and tenacity took care of and/or paid for my food, housing, and education, both basic primary and secondary, as well as higher and/or vocational training, during my childhood, adolescence, and early adult years.* (March 11, 2025, 1:34 AM ->) *By virtue of the above, allow that of the graces which will be poured out from Heaven as a consequence of praying the obligatory prayers and reading this prayer and petitions today, part of these be assigned to my father, parent, mother, and/or adoptive/foster father and mother, this in case they still live and dwell on earth, and if not, part of these graces be assigned for the relief, consolation, and liberation of their souls from purgatory. As a consequence of the above, I ask you God the Father to forgive the sins and faults committed by my parents, biological and/or adoptive/foster parents, so that they may deserve these graces from you.*

[24] B.3. *By virtue of the previous point, thanks to my work as a university professional/technologist, and for the values-based training and good example imparted to me by my physical father and mother/parents/foster parents, I thank you for all the material goods acquired through my own effort and tenacity and the sweat of my brow, and for the spiritual goods that have been your blessings to me. Likewise, I thank you for having given me the luxury and privilege of being a witness and having seen and perceived with my own eyes, ears, and hands the wonders of your creation, and the nations, cities, towns, and paths built, forged, and founded by men and women who are also part of your creation, traveling by land as well as by sea and air, often challenging the speed of even the fastest animal. Allow me to understand and contemplate your majesty through the beauty of this same world, which I have been able to witness and know with my own physical senses.*

[25] B.4. *(For those who do not have sufficient assets - real estate and vehicles) We thank you God, for allowing me for one more day and/or one more month, to have what is necessary to pay for the dwelling in the respective payment of family economic contribution/administration fee/public services/monthly rent and/or daily room payment, and thus guarantee that today at the end of the day we will be able, once again, to sleep/rest warmly and safely under a roof, with basic elements for subsistence such as access to sources that generate light and heat in the cold night, fresh food and drinking water, access to sources that generate fire for the preparation of food and energy for electrical/electronic devices for processing and preserving food, devices which allow us to consume perfectly preserved foods, free from any degradation process and allow us to prepare them properly to consume them at a hot temperature, and cold temperature in the case of some drinks, to satisfy hunger, thirst of the physical body and/or prepare remedies for minor illnesses and thus not have to spend the night in the cold, rain, snow or the elements, enduring hunger, cold, fever, a severe cold, bone pain, moral desolation and deep physical discomfort due to lack of access to basic medicines, health and well-being.*

[26] B.5. (For those who have never experienced serious hunger and/or thirst, like him or her) **We thank you, Eternal Father God, for the breakfast, lunch, dinner, mid-morning snacks, and afternoon snacks that we have always counted on, not only yesterday, but every day of our lives, up to the present day, from the moment we were conceived in the womb of our physical mother, until now. Allow him, her or whose families barely have one meal a day, or less, to know the mystery of the biblical fact of the multiplication of the loaves and fishes by our Lord Jesus Christ, in such a way that no matter how little is received, the gratitude to you God the Father, must be not only daily but so incredible and so considerable, in the same way as the gratitude of the rich man or woman with material abundance, with the sole purpose of increasing and pouring out many more of your blessings on the earth, for both rich and poor men and women, and that in the end the only losers of this cruel battle are the unclean and rebellious spirits, who were once angels from heaven, and fell for having disobeyed/defied God and for having adopted and made the decision to follow and apply the false doctrine of **Satan**, despite these having had enough perspective, knowledge and wisdom, given by their capacities and angelic nature, perspective and knowledge barely necessary to simply not have committed the very serious error of challenging God, not even for the fact of having put into consideration the question of having carried out such a terrible nonsense, because they did not deserve forgiveness because these did know what they were doing when they offended and disobeyed God, and also these, despite their angelic virtues, did not have enough temperance to control the evil generated by their serious feeling of the **pride** and the **pride**.**

[26-1] (Tuesday February 11, 2025 6:54 AM CRBT) **Within the context of this prayer request of thanksgiving to God the Father for the food and blessings received (Petition B), we ask that those ungrateful and ignorant men and women who, despite receiving your blessings frequently/recurring and abundantly, do not realize about praying in thanksgiving to God the Father for these blessings, may they receive the enlightenment of the Holy Spirit so that they may realize the tremendous importance of this task of thanksgiving or responsibility of thanking God for the blessings received, and that their sins be forgiven, especially for their indifference and ingratitude, and for their total ignorance, lack of perspective, lack of knowledge of the truth, wisdom and lack of the ability to distinguish the reality of God from the illusion of **Satan**. We ask you the above by virtue of the request made by your only son, our Lord Jesus Christ, right at the moment of his passion and death, to you God the Father where before such a fierce scourge and horrible physical and psychological abuse just at the moment when our Lord Jesus Christ's body was already cruelly nailed to the wood in the form of a cross, the Lord Jesus Christ said "Father, forgive them, for they know not what they do.". (Luke 23:34)**

[26-2] Petition to the Holy Rosary [C] (Every day) – Petition C – For the new Supreme Pontiff,

elected by the Immaculate Heart of the Blessed Virgin Mary, Robert Francis Prevost, now

known as Pope Leo XIV: (Text added May 18, 2025, 7:17 AM) We beseech God, through the intercession of the Immaculate

Heart of Mary, for full heavenly protection, spiritual strength, and physical health for the new Pope whom God has chosen from eternity to restore and guide His Holy Church in these times of great tribulation. May his birth name, Robert Francis Prevost, and his name as Supreme Pontiff, Leo XIV, be engraved in the Heart of Jesus and the Heart of Mary. We invoke the three great Archangels of the Lord to constantly accompany him: Saint Michael the Archangel, defender of the Church, grant him full protection against all visible and invisible attacks, defending his body, soul, and spirit from the forces of evil, especially from the progressive globalist elites, servants of **Satan**, infiltrated in the temporal and spiritual. Saint Gabriel the Archangel, faithful messenger of God Almighty, announce to the Pope's heart the divine will in every decision, and fill him with courage to proclaim the truth of the Gospel with clarity and fidelity. Just as he announced to the Virgin Mary the mystery of the Incarnation, may he also announce to this Holy Father the path he must follow to lead the Church along paths of light, purity, and obedience to the plan of salvation. Saint Raphael the Archangel, God's physician, keep him in perfect physical health, with constant vitality, supernatural resistance, continuous healing, and renewed strength to bear the burdens of the pontificate. We also pray that this Holy Father may faithfully live, teach, and propagate the seven Christian virtues: faith, hope, charity, prudence, justice, fortitude, and temperance, becoming a living reflection of Christ the Good Shepherd. May she

boldly and fearlessly open the doors of the Universal Church to the devotion of the Blessed Virgin Mary, promoting throughout the world love, consecration, and filial trust in Her Immaculate Heart. May she encourage and mandate the daily recitation of the Holy Rosary in parishes, families, seminaries, convents, and Catholic schools as the principal weapon against the spiritual and human enemies of the Kingdom of God. May she live completely for God, be all Mary's, and fear nothing but offending Heaven. May she reject the seductions of the world, not sell herself out to power, not compromise the truth, and lead the Church to her total purification, in preparation for Christ's glorious return.

[27] Petition to the Holy Rosary No. 1 (Every day) - Liberation of Souls in Purgatory: We ask, beg and implore you Lord Jesus Christ/Holy Mary Virgin to intercede before God the Father to allow that with the prayer of Saint Gertrude the Great for the liberation of 50,000 souls from purgatory, and the Holy Rosary, prayed by praying people around the world, the greatest number of souls possible be effectively liberated, preferably 50,000 for each person praying, to the extent of our absolute and perfect personal behavior, a state of perfect chastity without having committed any sexual act, unless it has been for the specific purpose of allowing the entry of a new human being to the earth, a heart perfectly clean of any feeling of hatred or impurity of thought, acts of charity/acts of good faith with which one lives and daily/or good works and our purity of thought and heart today until 11:59 PM. (Text added May 18, 2025 8:08 AM GRBT) With profound supplication, and if you so desire, Lord, we ask today for the highest priority for the immediate release of all the souls of persons who have died of famine or starvation in the last 24 hours, especially in the regions most affected by this tragedy: the Gaza Strip, Sudan, South Sudan, Haiti, and Yemen. These souls, victims of injustice, abandonment, and human indifference, cry out for your mercy. We pray, Lord, that you grant them eternal rest and that their sufferings while on earth may not have been in vain, but may inspire in us a renewed commitment to justice, charity, and conversion. We also ask for the relief, consolation, healing, salvation, and release of all the blessed souls in purgatory, especially for all those souls who have no one to pray for them here on earth. I ask you, I beg you, I implore you please, with regard to this point, if it is your holy will, with regard to the souls that will be liberated today, give them priority and remember the soul of **SOUL_OF_DECEASED_PERSONS [1]**

SOULS_OF_DECEASED_PERSONS [1]:

[28] For those souls of the people we just mentioned, we ask that within the prayer of the Holy Rosary and the prayer revealed to Saint Gertrude the Great for the liberation of the 50,000 souls in purgatory, prayers that will be carried out today, and especially the prayer of the Holy Rosary, these people be included within those souls.

[29] For all the souls who have already been freed from purgatory, through the divine will and in gratitude to you, Holy Virgin Mary, for allowing your infinite graces for this purpose, we ask you, we beg you and we implore you that these already freed souls, being already in the glory of Heaven, through the holy will, include in their prayers and supplications the requests made on my behalf on the day **READING_DAY_REQUESTS** at **READING_HOURS_REQUESTS**, and allow these souls to pray that all their descendants of men and women still alive on earth, all believers in the word of Christ, the entire Catholic Church Militant throughout the world and all humanity may be revealed the mystery and the tremendous importance of praying the Holy Rosary of the Blessed Virgin Mary every day, keeping in mind the content of this document as a complement to prayer.

[30] IMPORTANT : Allows those who make this request for the release of souls from purgatory to know the mystery or the fact that these souls, once released, already enjoying the Glory of Heaven, would acquire the ability to ask/suplicate through prayer to the Divine Will, either directly or through the intercession of the Most Holy Virgin Mary, so that the fact that the Church Militant and all of humanity may be revealed, through all the Guardian Angels coordinated/managed by Saint Michael the Archangel (*Prince/General/Commander of the Heavenly Militia*) assigned to every man and woman on earth the true reality of the incredible, great and extraordinary power that they have as the Church Militant (*men and women alive in body and soul, who still dwell on earth*) to defeat the evil one **Satan** through the practice of the Catholic Christian faith, good works, the practice of the teachings of our Lord Jesus Christ, and the realization of the prayer of the Holy Rosary, all of the above, compared to the power of prayer of the blessed souls already freed from purgatory, which for the purposes of defeating the enemy **Satan**, It is considerably less, compared to the power of the Church Militant to fulfill this purpose of defeating the Rebel Angel, fulfilling the conditions already mentioned in this paragraph. (Text added June 6, 2023, 8:23 AM – Modified June 19, 2023, 6:26 AM CRBT) It allows the Church Militant to know the

mystery of the fact that the strength and power of her prayer increases and becomes much stronger as her prayer increases

useful sentence load (*Useful prayer load is defined as the number of Catholic Christian prayers such as Our Father, Hail Marys, and the Apostles' Creed, recited by the person while alive and accumulated over time. NOTE: The prayers of the souls in purgatory do NOT count and/or add to the prayer load. The prayers of the souls in Heaven add to the prayer load of the man or woman still living on Earth who freed this soul from purgatory, hence the importance of freeing souls from purgatory, and this extra prayer load serves and/or counts to the extent of the continuity/habit/discipline/virtue of this man or woman alive on Earth with the work of prayer, good works, and perfect ethical and moral behavior*) and of his heavenly grace, to the extent that the men and women of the Church Militant observe and maintain perfect behavior in the literal sense of the word, without missing a single day, hour, minute, or second, in accordance with the seven Christian virtues throughout their lives, adding to this the useful prayerful burden of their first-degree blood relatives and spouses, and how this useful prayerful burden and/or strength and/or power of prayer that can accumulate over generations since the arrival of our Lord Jesus Christ on Earth has a supremely significant increase by adding to this the useful prayerful burden of the souls in heaven, already freed from purgatory by the prayer carried out by the living man and woman still belonging to the Church Militant who previously freed these blessed souls through prayer (primarily that of the Holy Rosary of the Blessed Virgin Mary), especially the souls of fathers and mothers, grandfathers and grandmothers, spouses, deceased children and all respective generational ancestry.

[31] THE GREAT IMPORTANCE OF OFFERING MASSES FOR THE SOULS IN PURGATORY, IN ORDER TO OBTAIN SUPPORT FOR THE MILITANT CHURCH FROM THE TRIUMPHANT AND PURGING CHURCH, FOR THE FIGHT AGAINST THE ENEMY AND HIS APOSTATE PROJECTS ON EARTH : (*Text added June 11, 2023, 4:23 PM*) We ask you to enlighten all those who receive this document, and not only the Catholic clergy but all men and women belonging to the laity on earth, so that the latter may offer masses for the blessed souls in purgatory, and allow them to understand the mystery surrounding this event, which consists of gathering and arranging all the useful prayerful burden (*Useful prayer load is defined as the number of prayers and therefore the spiritual grace accumulated as a result of the prayer work of the respective person throughout his or her life, both of the person himself or herself and of his or her parents, grandparents, great-grandparents, etc.*) not only of the living person offering the mass for the soul of the church in purgatory, but of all the people who are present at the respective mass, plus the souls already freed from purgatory by all the people present at the mass, souls freed on previous occasions, and souls freed right at the precise moment when the mass is taking place, through the recitation of the Holy Rosary and other prayers, such as the prayer of Saint Gertrude the Great for the release of 50,000 souls from purgatory, all of the above as an input of heavenly power to the prayer itself to free one or more souls from purgatory in particular when the given person offers the mass for their liberation.

[32] Petition to the Holy Rosary No. 2 - Physical needs of people: I pray for all those who suffer physical needs, so that they may have food, drink, health, shelter, decent work, remuneration and freedom, especially those who believe, and all families made up of men and women, (*Text added February 3, 2024, 7:49 AM CJBT*) and for all irregular couples according to traditional orthodox catholic doctrine we ask you for them so that, in one way or another, they may procure among themselves the necessary affection to see to their mutual physical needs in terms of food, drink and basic subsistence, but above all emotional and spiritual, and that from the latter, the illumination of the Holy Spirit may be allowed upon them so that they may live the exercise and practice of the Roman Catholic Apostolic faith through various prayers, such as the Stations of the Cross, the Chaplet of Divine Mercy, but above all, regardless of their irregular condition due to issues of free union, sexual orientation and / or gender, they may make the firm determination to pray every day and for life the holy rosary of the Blessed Virgin Mary, and that in this prayer, they may ask for the intercession of the Blessed Virgin before our Lord Jesus Christ to achieve in all men and women who inhabit the earth their food, their roof, their decent work, their mental and psychological peace, but above all that the spark of faith be rekindled.

[33] Petition to the Holy Rosary No. 3 - Mass and immediate conversion in Far Eastern, Middle Eastern and Near Eastern countries, and countries where Catholicism is not the majority and/or predominant religion: I ask for the immediate and massive conversion of all people in the Far East, in countries

like China, India, Indonesia, Pakistan, Russia, Japan, Thailand, Korea, as well as in countries where Islam is practiced. We also ask for the immediate conversion of non-believers from Catholic Christianity in Western countries.

[34] Petition to the Holy Rosary No. 4 – Abortion: I ask that women whose pregnancy and/or unborn child is unwanted, do not abort, that they convert, and that they receive infinite graces and blessings, through the new human being/life/baby that they are about to give birth to, and that the blessings, great and extraordinary in magnitude and essence, destined for many men and women on this earth be distributed through these new creatures, and these blessings will be destined to weaken/undermine the unclean spirits responsible for many evils in the world, such as discord between couples of man and woman and also between parents and children, apostasy, pride, intolerance, uncertainty, hunger, disease, fornication, adultery, sodomy and violence. Bless the women who are about to give birth to these new creatures, who already come with this great and extraordinary load of blessing, ad portas of being born, for the fact of having been souls chosen by the Divine will, for the dissemination of the greatest heavenly graces on earth through these new beings about to be born, taking into account the fact that these have been in danger of death through abortion due to the circumstance of an unwanted pregnancy, and the publicity and official apostasy of some **ABORTION ORGANIZATIONS such as Profamilia, Oriéntame, and the Table for Life and Women's Health in Colombia**. We also ask that those places that are destined for this horrible task of murdering the baby as it grows in a woman's womb, as well as those international organizations that are charged with promoting this terrible practice, claiming supposed sexual and reproductive "rights" for women, may the enlightenment of the Holy Spirit fall upon them, especially upon all the men and women dedicated to this terrible task of disseminating the misguided initiative of making public the option/possibility/alternative of voluntary termination of pregnancy. May these people repent, convert, and be forgiven for their sins. We ask that those foundations dedicated to combating this evil may have the grace, strength, financial support, and sufficient effectiveness to fulfill their tasks of prevention and education in the prevention of abortion.

[35] Petition to the Holy Rosary No. 5 - Binary/Cisgender Male and Female Families with Minor Children: I ask you why relationships and families made up strictly of men and women (*strictly binary/cisgender man and woman and/or with the natural, technical, physical and biological capacity for pregnancy and/or procreation*) may be more numerous, more prosperous, may they have numerous children, may these children in the future form families of binary/cisgender men and women for the most part, may they not be unfaithful to each other, may they be prosperous, and may all of these convert, and give these couples the strength necessary to resist evil spirits or in effect weaken the evil spirits so that they do not bother them and allow them to live expressing their love, vocation to family and in peace day by day (*The following is added Friday, March 29, 2024, 7:43 AM*) . ***It allows the entire Catholic Church (Clergy and Laity alike) the importance of taking into account this request, by virtue of the fact that just at the moment when families made up of Man and Woman begin to pray the Holy Rosary, together with their children, all their children, and with strict daily frequency, the Blessed Virgin Mary is empowered by the Holy Trinity, and the Heavenly Angels by the Blessed Virgin Mary actions and initiatives to activate the greatest heavenly and divine powers provided by God himself, which allows them to carry out the following tasks, but in a more powerful, more massive and exhaustive way, compared to those who pray the Holy Rosary without the family or individually, powers and faculties among which we can mention: 1) Free souls from purgatory 2) Take away faculties and powers from the evil one, transfer these powers to the Militant Catholic Church and families of cisgender couples with minor children 3) Protect absolutely all men and women living on earth from attacks of the evil one and his infernal legions, without any distinction of creed, or situation of sin, religion, nationality, gender, race, sexual orientation and/or gender 4) Others related to avoiding extremely catastrophic future events such as, for example: global volcanic eruptions, real pandemics, earthquakes, and even the third nuclear world war and/or nuclear holocaust.*** Likewise show these people the truth about this mystery that is behind the union in flesh and spirit of man with woman, to form a single being, which they know as a particular evil spirit, one who is commanded directly by that fallen angel who they called

Angel of Light, seeks at all costs to contradict the divine will of God regarding this mystery, altering and distorting it completely, with the help of his infernal legions, in such a way that what is sought is for these couples of man and woman to destroy their marriage and in the process commit acts of infidelity through fornication, adultery and sodomy with third parties of any gender, sexually speaking, in a carnal appetite without control or measure. Reveal these details to them in such a way that the people who already know the truth of this mystery implore you Holy Mary Virgin, through the prayer of the Holy Rosary and / or our Lord Jesus Christ and Saint Michael the Archangel to considerably remove the strength and power of this evil spirit lieutenant of **Satan**, who has within his authority the power to rule over the sin of lust in men and women. Likewise, for those men and women who do not act well in this regard, having formed a family of man and woman and then subsequently resorted to separation and/or divorce, we ask you not only for mercy, but that despite their evil deeds, through their divorce or separation, they may in some way or another achieve salvation through the restoration of their marriage, through prayer, through the supplication of your infinite divine mercy, the performance of good and abundant works on earth for people in need, especially those most urgent in terms of physical needs, and the celebration of the Eucharist by these people in such a way that the evil spirits assigned to their misfortune may be weakened in some way or another. (*Last change August 7, 2022 5:05 AM*). (*The following is added Saturday, October 29, 2022, 1:17 AM*) Reveal to these couples of man and woman strictly the truth regarding the Mystery of forgiveness, in such a way that they forgive each other their faults caused to each other, in order to weaken and sabotage the evil spirits, who seek above all the separation of these couples, of man and woman strictly, and that this act of forgiveness constitutes a commitment through a pact with God with the sole purpose of never committing the same fault again, never again in the future, not even once, a fault that the only thing that could guarantee is their separation and/or divorce, and in the process the eternal damnation of their souls in hell. (**EXPLANATORY NOTE:** *The idea of this petition is NOT to motivate the secular people in general to initiate actions of systematic persecution/hatred/discrimination against the community LGBTIQ+, for obvious reasons of common sense regarding human rights and human dignity, taking advantage of Catholic activism actions solely and exclusively for this purpose, accusing this group of spreading proselytism to sin and spiritual impurity, and taking for granted this issue and this community as one of the main generators or causes of problems in the world. Assuming, according to some positions of Christianity in general, based on some passages from the letters of the apostle Paul, who, despite his particular holiness, he was firstly NOT God, he was an ordinary man, and secondly, it is very clear in several of his writings and/or letters his clear misogynistic and sexist position, that the community LGBTIQ+ deserves to be harassed/persecuted/discriminated against/hated or that the attack on this very important group with a very relevant role in our society and the modern world is justified by the fact that these people should be persecuted for living a life of sin, it is NOT theologically JUSTIFIED. This is affirmed by virtue of two very important biblical teachings that are from the Lord Jesus Christ himself, who, according to John 8:1-11 says "Let he who is without sin cast the first stone.", and according to Matthew 22:37-39, which says "You shall love the Lord your God with all your heart, with all your soul, and with all your mind. This is the first and great commandment. And the second is like it: You shall love your neighbor as yourself". If this petition is read carefully, the idea is to strictly apply diversity, inclusion, and rights policies to everyone, in all areas, contexts, and places. This group also includes heterosexual binary couples, whom, due to the same phenomenon of hatred and discrimination, some powerful groups have legislated to systematically undermine the exercise of their rights, all out of pure and simple retaliation, and also because these heterosexual unions are the only ones that, biologically speaking, allow for the reproduction of the human race, which is part of God's Divine Plan on Earth.*

[35-1] THE GREAT IMPORTANCE OF FAMILIES OF MEN AND WOMEN, WITH SMALL SONS AND DAUGHTERS, PRAYING THE HOLY ROSARY TOGETHER: (*Text added September 18,*

2024, 4:02 PM) I ask you, God the Father, with all my heart to enlighten and guide families, especially those made up of a man and a woman with their children, so that they may understand the profound importance and power of praying the Holy Rosary as a family unit. The Holy Rosary is a powerful and effective tool against the forces of evil, and praying it as a family strengthens our souls and our lives. By joining our voices and hearts in prayer, especially in the family context, we create a barrier of grace and protection that benefits each member of the family and extends its blessings to all humanity. I beseech you to help us recognize the magnitude of the

grace that is multiplied when children, in their purity and lesser gravity of sin compared to their parents, join together in praying the Rosary (*To give an example, a rosary prayed by a family under these circumstances and/or conditions, father, mother and children at the same time, could be equivalent to 100, 1000 or many more rosaries prayed by single people, or clerical people, including the Supreme Pontiff himself*). This grace not only enriches the family but also has a positive impact on the community and the entire world, leading to the reduction of famine, war, and conflict, and enabling conversion, repentance, and divine forgiveness for many sinful souls. Joint prayer, especially when parents and children pray the Rosary together, elevates our intercession and makes our supplications before You even more powerful. Allow us, Lord, to live this practice with faith and devotion, knowing that our prayers not only bring us closer to You but also multiply the graces that grant peace, love, and protection to our families and all humanity. Strengthen our commitment to pray together, and help us experience the strength and unity that the Holy Rosary can bring to our lives and to the world. We thank You for the gift of prayer and the opportunity to unite in Your name to obtain Your grace and mercy.

[36] Petition to the Holy Rosary No. 6 - Evil with power: I ask you that the evil ones who have political, religious, social and financial power in the world, and who are faithful to Satan, do not get away with their Machiavellian plans to subjugate the world's population, through plans such as:

[37] 6.1) Food price increases/Policies aimed at serious economic/political and institutional imbalance/disadjustment in a country (Castrochavism): The systematic increase in the price of food and the standard of living in general, worldwide, and the establishment of policies aimed at the total imbalance and mismatch of a country in all economic, political, social aspects, with the ultimate goal of attacking society and the family of men and women, and the single mother woman head of household, causing economic ruin, anxiety, insecurity, mass exodus to other countries without the proper guarantees of immigration legality/legal residence and decent work in the destination country, through policies or government formulas designed for this evil purpose (*policies such as: The discreet but constant increase in fuel prices, to destroy the economy through the inflationary phenomenon that this generates, and thus wipe out small and medium-sized businesses; the release of prisoners and/or policies of "peace" processes with actors in the armed conflict in order to approve a significant number of seats in Congress/Assembly/Senate/House of Representatives for these characters with the purpose that the President on duty, a political activist of the Left, the legislative body approves without debate and/or restriction any absurd law that occurs to him to attack all fundamental rights of the population and/or to recruit these as leaders of criminal cells to take total control of the population, outnumbering and outgunning the public forces, and subjecting the population to kidnapping, extortion and sale/micro-trafficking of psychoactive substances; violation of freedom of the press, among others; policies that as a whole are defined as the fact of turning a given country into a second Venezuela and/or Castro-Chavism*). In the context of this petition, we ask for all refugees caused by war.

[38] 6.2) Alteración doctrina católica: La alteración de la verdad y la doctrina Cristiana del Catolicismo Romano a través de la proliferación de falsas iglesias protestantes que pregongan el evangelio distorsionado con base en la teología de la prosperidad económica.

[39] 6.3) Destruction of the family of men and women: The destruction of the male-female family, the withdrawal of supportive support, and the systematically discriminatory treatment of single mothers who are heads of household. **(EXPLANATORY**

NOTE: Activism **LGBTIQ+** It is not at all considered a factor that affects or generates the destruction of heterosexual binary families of man and woman, as some Catholic and Protestant groups and organizations have implied. Absolutely not. Couples of man and woman are affected by themselves, by their lack of diligence regarding their educational and learning process, by lack of prayer, by not knowing the basic and fundamental dogmas of the Roman Catholic Apostolic Church through the dissemination of erroneous concepts and the bad/terrible interpretation of the sacred scriptures by groups belonging to the Protestant "Christian Churches", by not praying the holy rosary, by not attending the Eucharist, by not confessing, by being unfaithful to each other, by lack of knowledge and a good and rigorous study of the sacred scriptures, and above all by committing the most serious of all sins, which is the sin of pride, which is considered the most impure act of all impure acts, these by carrying out actions such as 1) Denying alms to the needy 2) Giving false testimony to one's neighbor (gossip) 3) Being oblivious to the problems of Hunger, work, and the well-being of society 4) Pointing to others, making them the role of judges, when the Lord Jesus Christ is the only one empowered

as a judge to judge our actions, according to our works. Within this group is the fact of pointing to a relatively vulnerable population such as the community LGBTIQ+ in all contexts due to their sexual and/or gender orientation. See the explanatory note on petition 5 for more details).

[40] **6.4) Information manipulation:** Manipulation of facts, news, and circumstances aimed at the gradual but certain destruction of the Catholic Church, and also its destruction through malpractice carried out by some members of the clergy, such as the Synodal Path adopted by the German Bishops' Conference, which seeks to create serious alterations to Catholic doctrine regarding the relationships between men and women, and to adopt invalid beliefs and elements of other religions.

[41] **6.5) Destruction of small and medium-sized businesses:** The destruction of small and medium-sized businesses throughout the world in order to centralize all global industrial production in the People's Republic of China.

[42] **6.6) Alimentos envenenados/drogas/vacunas no avaladas:** Proliferation of poisoned foods/psychoactive substances/medicines and/or vaccines that are not scientifically supported or certified, elements intended to affect the physical health of people and cause their physical death, for the purpose of reducing the world's population, and with this reduction, further facilitating the work of evil spirits to guarantee the ruin of the souls of the remaining men and women on Earth.

[43] **6.7) Occult rites:** The performance of occult rituals carried out in a covert and also blatant and disguised manner at public sporting and artistic events with high media coverage (*NFL Halftime Show Events*), intended to open spiritual portals for the entry of evil spirits into the earth. Regarding this point, allow the prayers of all men and women who make up the Catholic Church Militant, as well as their respective sufferings and tribulations of any kind, to be offered as an offering to God, so that they may serve as input or reason to diminish the occult and satanic power carried out or already exercised by these types of global events, which have already taken place or have taken place to this date.

[44] **6.8) Mass legalization of psychoactive substance consumption:** The legalization of psychoactive substance use to promote such widespread use, to the point that they seek to negatively influence absolutely all young people, girls and boys, in family settings, in order to attract them to use these substances through bad examples, carried out in an extremely bold, brazen, and fully protected manner by the legal system promoted by progressive/leftist governments in public places and spaces intended for families, in broad daylight and in plain view of everyone. All this with the aim of making these people, through the use of these poisonous substances, consecrate their souls to unclean spirits for their respective annihilation and destruction; and that the details, the true reason for being, and the evil intentions of these plans be revealed to everyone.

[45] **6.9) Systematic persecution of the Militant Catholic Church:** Actions aimed at the systematic and legal persecution of believers in the Catholic Church, through legal actions undertaken based on approved jurisprudence and promoted through government institutions designated for these tasks, such as the Ministry of Equality, promoted by all left-wing / progressive governments around the world, which what it really seeks is NOT equal rights for all people and minorities for reasons of race / creed / sexual orientation and / or gender, but to carry out legal initiatives to affect / persecute / initiate criminal proceedings against Catholic believers, under the premise that they are violators of the human rights law, by professing a religion which supposedly goes against the rights of certain sexual and / or reproductive minorities, or is in violation of certain rights such as the supposed new sexual reproductive rights, for the sole fact of not approving marital / sexual relations between people of the same sex and rejecting abortion, basing this persecution on the alleged violation of sexual and reproductive rights as rights fundamental.

[46] **6.10) Actions of systematic persecution towards the Catholic Clergy by some members of the Catholic Clergy:** *(Added December 25, 2022, 6:49 AM)* : Systematic acts of persecution against Catholic clergy by some members of the Catholic clergy, through agents of evil infiltrated within the Catholic Church itself and/or members of the Catholic clergy completely possessed/corrupted/enslaved by the action of Satan, through their submission according to the seven deadly sins. In the context of this petition, we ask for the physical, mental, and spiritual health and all the required protection of Catholic priest/father Frank Pavone, formerly assigned to the Diocese of Amarillo, Texas, United States of America, for his incredible and extraordinary pro-life work and for his initiatives against

abortion. We also ask for the fact that Frank Pavone, for defending just causes, had his clerical status unjustly revoked by ecclesiastical authorities from the Vatican itself.

[47] 6.11) Lack of political will at the global level to apply barriers of all kinds, especially economic/technological and/or tax measures to websites that distribute pornographic content and lack of political will to regulate jurisprudence to take measures and/or quantify crimes related to illegal trafficking of immigrants, human trafficking, illegal recruitment, among others: (Added July 6, 2023, 5:36 AM) : Actions and/or policies, and/or lack thereof, aimed at applying barriers, restrictions, and much stricter access and/or parental controls to websites with pornographic content and/or portals dedicated to promoting sexually explicit services. (*It is fully demonstrated that the increase in internet pornography goes hand in hand with the increase in divorce rates, the sale of psychoactive substances and the number of lawsuits for domestic violence and sexual abuse*). Lack of policy and/or legislative management aimed at reducing crimes such as migrant smuggling, human trafficking, and illegal recruitment, among others.

[48] Petition to the Holy Rosary No. 7 - War/Nuclear Holocaust: We ask that there be no nuclear war and/or a third world war, to avoid the potential genocide and sudden death of billions of men, women, and children in a relatively short time. For various and obvious reasons, they are not yet in a state of grace, or worse, are in a state of mortal sin. We also ask that you convert countries like North Korea.

[49] Petition to the Holy Rosary No. 8 - Weakening of apostate/occult people/actions of rejection of heretical and pagan celebrations contrary to the Catholic Christian Faith (Halloween Holiday October 31): We ask you to take away all strength and power from those men and women who with their rituals and evil deeds release and strengthen evil spirits (*witches, shamans, practitioners of cartomancy, tarot reading, palm reading, among others*), May these evil people, while they live, come to their senses, repent, and convert, and may these evil spirits be removed from the earth to be condemned, chained, and imprisoned once again, for a much longer period or permanently, and may they no longer destroy the human race. Especially those spirits that in one way or another have caused harm, such as the separation of couples of man and woman with children who entered into holy matrimony, illnesses, and physical and mental ailments to other people, among others.

[50] (Text added June 4, 2023, 5:43 PM) Within the context of this petition, we ask that Western society in general, and especially national and multinational companies and businesses, be aware of the serious mistake they make when carrying out the preparations required to advertise in their communications and internal communities **to celebrate Halloween in an exaggeratedly pompous and bombastic manner** in its precincts, on the eve of October 31, because it consists of the fact of releasing and strengthening evil spirits destined to destroy the human race, and what is even more serious, making use of time and the infinite heavenly graces of power of beings with incorruptible souls in almost 98% of innocents, by involving minors in the celebration of this heretical and totally blasphemous festival to God, inducing them to use ridiculous clothes and masks (*costumes*), promoting idolatry to completely fictitious characters, who ultimately represent false gods of ancient pagan religions and/or fallen angels seeking in a foolish and deluded way to be recognized as gods, and in the process putting into practice acts of sacrilege by going out at night, disguised and singing melodies that are the starting point of communication with perverse spiritual entities (**Trick-or-treating Halloween, I want candy for myself...**). And it allows the managers and employees of these companies to be aware of how this circumstance of celebrating these pagan holidays, the only thing it guarantees is not only the general misfortune of humanity, but the overload of work in prayer and fasting to the Catholic prayers/practicing/devotees, these by having to reinforce not only their work of Catholic apostolate and evangelization and the search for economic resources for this purpose, but also their work of praying the Holy Rosary, among other Catholic Christian prayers in order to weaken these evil spirits once again. Likewise, it allows that in all of society in general, a consciousness and a widespread feeling of absolute rejection of the celebration of this heretical holiday is generated by not supporting and/or preventing its celebration in their places, not only at work but also at home (*Residential complexes, shopping centers, shops, warehouses, among others*). (Text Added Friday, November 1, 2024 4:07 AM) We ask that for all men and women who, due to circumstances and absolute ignorance, fall into sin by celebrating these evil festivities with parties and disguises, the evil spirits assigned to their respective

misfortune be condemned, chained, and weakened. And with regard to these types of heretical celebrations that have previously occurred, we ask that every effect, work, bond, or link between evil spirits be undone for any man or woman concerned, in the name of our Lord Jesus Christ.

[51] Petition to the Holy Rosary No. 9 - Blessings to acquaintances and forgiveness to people who have offended us:

We ask you please to shower with infinite blessings, and that food, health and peace never be lacking to those people who have acted in good faith with us, and we also make it clear with respect to those who have offended us, in a slight or serious way, that we not only forgive them unconditionally, but we ask you for kindness and mercy for these men and women, so that the fallen angels who were strengthened by the misfortune and evil deeds of these people may be weakened, chained, condemned hopefully definitively, and that these evil spirits do no more harm to men and women on this earth. (*Added Wednesday, December 14, 2022, 3:53 AM*) Likewise, we ask you to illuminate with your infinite grace all people, men, women, girls, and boys, so that they may always forgive those who have offended them, so that the spirit that governs the sin of anger and its respective legions may lose strength, power, and effectiveness when it comes to tempting these people to commit acts of revenge and/or to harbor feelings of hatred or resentment.

[52] Petition to the Holy Rosary No. 10 - Petition for men, women, boys and girls living on the streets and/or consumers of psychoactive substances:

We ask you, with the help and assistance of Saint Michael the Archangel, that the homeless men and women who suffer daily from hunger, cold, rejection by others and the desolation of their souls and the destruction of these in body, mind, soul and spirit for being subjected to the misfortune of the snares and ties of the enemy, all because of that poison that the wicked distribute in the streets, corners and all those places of music and nighttime entertainment in which impure acts are carried out, which strengthen these ties, and constitute themselves as places or houses of perdition (*bars, nightclubs, motels, hostels, clandestine centers for the consumption of psychoactive substances*), May they be comforted, recovered and freed completely and definitively in life from the disgrace and satanic bondage caused by the consumption of poison (*psychoactive substances*). For those who have already recovered, or are in the process of recovery, or wish to recover and free themselves from bondage, we ask that the truth be revealed to them by any means possible, and that they be converted in order to be strengthened, and that they implore You to defeat the enemy through the prayer of this Holy Rosary. We ask that You allow the grace that gives considerable strength to the virtues of charity and mercy to fall upon all non-homeless people, so that the illumination of the Holy Spirit may be upon them, so that, practicing these virtues, they may carry out all necessary actions to support the physical and spiritual needs, especially the spiritual needs, of all homeless people in the Republic of Colombia, Latin America, the United States of America, Europe, and the entire world. (*Next text added November 12, 2022, 6:33 AM*) Enlighten all non-homeless people, especially those who consume psychoactive substances, so that they may know the truth regarding the distribution of the poison that destroys men and women who live on the streets, the consecration of the evil of the inputs (*coca plant/leaf*) which are part of the poison carried out in ancient times, and the reason for the destruction of men and women by poison, which is the fact of keeping open one of the largest portals in the world through which infernal spirits enter the earth, which daily cause various types of evils such as diseases, separations of couples of man and woman, infidelity of men and women in marriage, lack of faith and uncertainty of youth in labor and professional matters, ruin / poverty / scarcity in the economic order, war, abortion, acts of hatred / discrimination / segregation for any reason, criminal acts and indigence itself. Allow healthy people to know this truth, so that from now on, through prayer, and especially the prayer of the Holy Rosary, these people may ask you for the immediate healing of all men and women who are and have been victims of extreme misfortune and total destruction because of poison, and in the same way allow these healthy people to take responsibility for knowing these realities of desecration of the bodies of men and women victims of poison, and for being permissive with these events in places relatively close to their homes and/or work places, and how they will assume this responsibility after their death in the particular judgment, in hell and/or purgatory, and finally in the final judgment, for their ignorance and arrogance in pointing to these people, and judging them for their supposed mental and psychological weakness, and their alleged and supposed lack of will to renounce the consumption of poison, when in reality it is the lack of will of the person who has never tried the poison to pray, the true cause of the strengthening of this malignant bondage. and satanic, which feeds addiction to poison

in those who unfortunately have tried it, and for various reasons cannot stop consumption, what it really means is that they do not have enough physical, mental and moral strength to resist the temptation and the effects of the evil bond, all because they do not have enough perspective, knowledge, wisdom and the ability to distinguish between the true reality of God from the illusion of Satan, not only drug users, but others, especially those who do not pray or pray, or take God into account in their lives, and all due to a simple and plain lack of prayer and good works both spiritual and corporal, and in particular the prayer of the Holy Rosary. Allow all those who pray the Holy Rosary in the entire world to include this in particular among their requests. (*Text added Saturday, November 19, 2022, 6:05 AM*) Within the context of this petition, allow the illumination of the Holy Spirit upon all men and women who are victims of poison, in such a way that the Evil Spirits which enter the souls of these people through the consecration that they carry out with the evil one through the consumption of the toxic element are extremely weakened in regards to the inoculation of that satanic illusion of lust, pleasure and misfortune that these enemy spirits achieve in these men and women as they consume that filthy thing and are destroyed by the noxious substance, physically, mentally and literally speaking. In addition to weakening the power of the evil illusion, it allows in these people the introduction and/or activation of the blessed heavenly element of balance that guarantees the correct balance of the conflict between two opposing forces, good, which comes from God, and evil, which comes from Satan, in such a way that within that conflict, the force of good triumphs over these people, and that those faculties that the demons have had that they were able to retain by their nature and their background of spiritual life as heavenly angels, through this balance and determination to make good prevail over evil on the part of the man and woman belonging to the militant church, these powers are taken away from these unclean spirits to be assigned to these men and women and also to the other members of the militant catholic church, because of these men and women having been chosen for holiness by having received the graces that came from the water and the blood of our Lord Jesus Christ at the time of his passion and death, and especially at the time when our Lord Jesus Christ had a lance pierced in his right side, so that its water and blood were splashed on the Roman soldier, whose name was Loginus of Caesarea (*Saint Loginos*). It allows the healing of these people who are victims of infernal bondage as a result of poison, because they are carriers of elements of grace made from the water and blood of our Lord Jesus Christ. (*Text added Thursday, May 1, 2025, 1:19 PM*) For all those men and women who consume poison, those who for some reason contemplate, accept, commune with the consumption of this, and who in some way or another let themselves be carried away and are impressed by the satanic illusion, fruit of the consumption of poison, allow the illumination of the Holy Spirit upon these people in such a way that in some way or another they achieve the beginning of the distinction between the reality of God and the illusion of Satan, ensuring that, and above all from this moment on, every man and woman who once again consumes poison to feed on the illusion, we ask that this person know the reality, which consists of realizing the fright, the horror, the tragedy, the decline and the tremendous darkness that the enemy represents, and how these people by not making the slightest effort to resist the poison, what they do and allow is the strengthening and support of the evil spirits, fright and horror that will affect these people to the point of looking for a way to control or withdraw from the consumption of poison. **Allows to *The owners/managers of establishments such as bars, nightclubs, street stalls, local shops, motels and hostels, among others, that they are aware of their great and delicate responsibility for allowing and/or tolerating the sale, distribution, marketing and use of poison in its enclosures and surroundings, and as these facts will only cause the souls of these responsible persons and third parties who participate in any way possible in the very lucrative but morally nefarious business to be subjected to the full divine justice at the end while they live on earth and at the end of time, and in the process these souls will be condemned to HELL by ALL ETERNITY.***

[53] For those young men and women and professionals, who frequent these places of perdition, and have great purchasing power and economic power, either by their own efforts in their professional work or that of their parents, and waste a large amount of this money on poison and payment of sexual services to commit impure acts, all this because of the accumulation of evil of these and / or the physical parents of these people by having allowed the attack on these same people by unclean spirits through the fact of having carried out acts of moral fault throughout their lives, based on the sins of pride and greed, we ask for the total illumination of the Holy Spirit, the graces of the Blessed Virgin Mary and the three archangels Saint Michael, Saint Gabriel and Saint Raphael, so that these people, in addition to converting, have their purchasing power not to strengthen demons, at the cost of the destruction of their souls and spirits, but that this economic capacity is used for acts of charity and labors of apostolate, Catholic evangelization, and of unrestricted, unconditional, total and abundant support to the Roman Catholic Apostolic Church throughout the world, in every way,

[54] Petition to the Holy Rosary No. 11 - Petition for the recovery of the physical health of the physically ill and for infinite heavenly blessings for the medical personnel in the world (doctors, in all their specialties, and nurses):

We ask for the speedy recovery of the physical and/or mental health of:

MENTION HERE FULL NAMES OF PEOPLE WITH HEALTH NEEDS:

[55] And for all the people who are sick, physically and mentally, both at home and in clinics and/or hospitals throughout the world, that you may give them strength in body and spirit, both to them and to their families who live in helplessness and sadness as a result of any illness. Help them understand the reason for the divine and holy will of your beloved Son and/or Lord Jesus Christ, as they are suffering this situation. And if this situation is a test of divine will, may all involved successfully pass this test, and may they know the truth, and achieve their physical and spiritual salvation through our Lord Jesus Christ and the Blessed Virgin Mary. To all sick people and/or children in the world whose families are not believers, allow them to know the truth by any means possible, since only the truth can help them with their illness. May all health personnel involved in the care of these people be enlightened through the Holy Spirit for the healing of these physically ill people, and may these health personnel, if their actions toward these physically ill people are effective, professional, and in good faith, receive infinite graces and blessings in their lives, and may they be converted.

[56] (Text added Tuesday, May 30, 2023) With respect to all medical personnel throughout the world, and all the people who are part of the Health System (*Specialized Surgeons of all branches, Nurses, among others*) We ask not only for the radical protection of Saint Michael the Archangel and the strength of Saint Gabriel, but also for the complete assistance of Saint Raphael the Archangel to these people. May it be revealed to them the mystery of how the evil spirits destined to cause physical illness and death from physical illness, their evil power is greatly weakened not only by the virtues of Saint Raphael the Archangel, but by the fact that the heavenly power required for the defeat of these demons is derived from the graces destined for the souls of men and women doctors and nurses, graces of which the Angels of Heaven can use for their work of assisting humanity and also the men and women worthy of these graces, once they enter Heaven, some directly, and the rest through purgatory, and how these graces have acquired great heavenly power provided by the Blessed Virgin Mary, to the extent and by merit of not only the vocation, but the great physical effort in countless hours of study, reading a great number of medical books, memorizing countless charts, theories, parts, diagnoses, standards, that's not to mention also the number of hours of vigil during the day and night in places where men and women arrive with illnesses, wounds and ailments (*clinics and hospitals*) in which both Guardian Angels and legions of infernal spirits meet to prepare to take souls to Eternal Glory or to eternal damnation. Allow that through Saint Raphael the Archangel infinite graces and blessings fall on medical personnel in the world, for the great effort and sacrifice in life carried out by professionals in the medical sciences, in the preparation of their professional career in Medicine and Nursing, for the fact of serving as celestial emitters/agents, by allowing the outpouring of the celestial graces of the Blessed Virgin Mary, precisely at the moment in which the Man or Woman professional medicine in the most precise way possible attends to the patient with joy and cordiality, gives the patient the correct diagnosis, with great concentration and precision performs a suture, open heart surgery, removes a cancerous tumor, among many medical and surgical procedures, these accompanied and assisted by professional men and women in nursing. And all of the above is asked for, due to the fact that, at the end of the entire successful medical process, the affected man or woman or patient only has to not only ask for infinite blessings from the doctors who assisted him or her in his or her physical recovery, but also to give infinite thanks to the Divine will and the Blessed Virgin, for having received a second chance on this earth, thanks to God and the work of the medical and nursing staff, to live and not disappoint his or her family and society any longer by committing sin, or by disappointing his or her acquaintances, to amend/expiate/purge the sins and/or faults committed up to the present date, and in the process, to definitively avoid the fire of external condemnation.

[57] Petition to the Holy Rosary No. 12 - Weakening of Evil Spirits on Thursday, Friday and Saturday:

I ask you because especially for the next days Thursday, Friday and Saturday and/or today (*If today is Thursday, Friday and Saturday*) Enlighten and enter the mind, soul and heart of men and women to reveal the truth to them and cause in these people their respective future repentance, reflection of conscience, conversion and development of the Catholic Christian vocation due to their future bad works and bad behavior, on a day like today (*if today is Thursday, Friday or Saturday*) and/or next Thursday, Friday and Saturday at night, which the infernal spirits, with the help of people with power in the occult and in apostate practices which are part of the global elites, have carried out all the preparations required for these men and women to destroy themselves in body, mind, soul and spirit, at night, in houses of perdition (*bars, nightclubs, motels, hostels, among others*), and/or allow evil spirits to enter the earth through the sin of lust, particularly by committing acts of fornication, adultery, sodomy, and consumption of satanic poison (*Consumption of illicit drugs and/or psychoactive substances*), In houses of sin and/or perdition, in rooms surrounded by mirrors. I ask that, with regard to the evil spirits, this humble petition and prayer may be sufficient not only to take away all their strength and power, but also to damage and sabotage the preparations of these evil spirits for the misfortune of the souls of these men and women carried out in these places or houses of sin. And may this strength and power be transferred to those lay men and women of the Catholic Church and/or also faithful to following the truth, and that they may serve as evangelizers and apostles in these current times, for the preaching of the Gospel and the spreading of the truth. (*Text added June 16, 2023, 12:39 AM CRBT*) It allows all of humanity to know the reason for this petition, because the starting point or turning point that defined the reason for the salvation of humanity is grouped together in a series of events that occurred precisely on a Thursday, Friday, and Saturday, corresponding to the same Thursday, Friday, and Saturday of Holy Week, days on which everything related to the passion and death of our Lord Jesus Christ occurred. And this is precisely the reason why the legions of demons of hell prepare in advance, get ready, and get ready to concentrate most of their forces and power of attack and destruction of the human race, precisely on these days of the week, during the hours of night and early morning. (*Note: Hence the saying, when people feel "joy" and "excitement" to prepare or get ready to attend dance events, parties, rumba in nightclubs, with the aim of dancing and then finishing with sexual relations in private venues, in couples or more, generally outside of marriage, accompanying the occasion with alcohol and psychoactive substances, that saying that says "...Today is Friday, and the body knows it".*

[58] Petition to the Holy Rosary No. 13 - Thanks for Petition No. 12: I ask you, on the occasion of today (Saturday or Sunday) to thank you infinitely, along with the help and assistance of Saint Michael the Archangel, for having weakened/chained/condemned the infernal spirits which the night before the day (*Thursday, Friday and Saturday*) Last week, they were making the necessary preparations for the perdition and destruction of men and women in body, mind, soul, and spirit in houses of perdition. Likewise, we ask you to enlighten these men and women so that their sins may be forgiven, that the unclean spirits seeking to stalk them may remain weakened/chained/condemned, and that the truth may begin to be revealed to these men and women by any means possible. And that today and/or next Sunday and/or holiday, all people may attend the celebration of the Eucharist in large numbers and en masse, and may celebrate it in the appropriate manner, obtaining their respective salvation through the body and blood of our Lord Jesus Christ, taking into account as an indispensable requirement a good, complete, and sincere confession. This is asked as thanksgiving for your great and invaluable help and assistance in combating the enemy in the best possible way, in order to defeat him completely and definitively.

[59] Petition to the Holy Rosary No. 14 - Request by Catholic clergy and/or religious science training centers/university faculties of theology/priest training seminaries: I ask you to condemn and chain all the evil spirits who have made the necessary preparations to weaken, stalk, and destroy the souls and spirits of those belonging to the clergy of the Roman Catholic Apostolic Church, leading them into capital sin and/or apostasy. For those belonging to the Catholic clergy, I ask that this petition be sufficient for their sins to be forgiven. I ask you to take power away from these evil spirits, and instead this power be granted to the men and women associated with the Catholic clergy throughout the world, so that through their apostolic, pastoral and priestly activity, this power may become the strength required to resist the perfidies and filth of these unclean spirits, and that in addition the men and women of the Catholic clergy, now strengthened and enlightened by the Holy Spirit,

may carry out a much more rigorous process of evangelization with Catholic doctrine, lasting, complete, massive, exhaustive, efficient, effective and effective, in their respective communities and through all or any means of communication possible. (*Petition added August 2, 2022, 9:40 AM*). **May every member of the Catholic clergy who is aware of these petitions be enlightened by the Holy Spirit so that this man and/or woman may spread these petitions in their respective community, and may the respective community include these petitions in its prayers.**

[60] (*Text added June 2, 2022, 9:12 AM ABT*) With respect to all educational centers that offer religious formation services and academic programs at the undergraduate, graduate, etc. levels in religious sciences and/or faculties of Catholic theology, may they receive radical protection, strength, and blessings of physical and mental health for their staff and workers (*clergy and laity*) of these places by the Archangels Saint Michael, Saint Gabriel and Saint Raphael respectively, so that the Blessed Virgin Mary may dispose of heavenly graces upon these people, in such a way that those educational and religious formation services offered by them are disseminated and have a massive reception to all people in the world, especially with regard to virtual formation programs in religious sciences (*Undergraduate Theology program offered by the Catholic University of the East and the Catholic University of the North respectively, among others: <https://www.uco.edu.co/teologia/teovirtual/Paginas/default.aspx> y <https://ucn.edu.co/teologia-virtual>*), and that these academic programs serve for the formation of all men and women in the formation of the gospel and the Roman Catholic Apostolic Christian moral doctrine, and the teachings of our Lord Jesus Christ. Likewise, for the other training centers/universities/faculties of theology, who have restricted the offer of their services to the face-to-face modality, allow the blessing and intercession of Our Lady and Heavenly Mother the Blessed Virgin Mary before our Lord Jesus Christ, and the graces of the three Archangels Saint Michael, Saint Gabriel and Saint Raphael respectively upon these places, in such a way that the realization of all legal, institutional and technological processes is facilitated in a radical, rapid and definitive way so that these training places are able to offer their training services in religious sciences in the virtual modality, in order to allow more men and women specialized training in the understanding of the truth, which are the teachings of our Lord Jesus Christ, these complemented by the doctrine of the Roman Catholic Apostolic Church, built over two thousand years of tradition.

[61] (*Text added July 6, 2023, 5:14 AM CRBT*) Now, with regard to the training centers for priests, deacons, and women consecrated to religious life, which are the diocesan seminaries, episcopal seminaries, major seminaries, and/or convents, we ask you for the greatest of graces and blessings, so that they may increase their capacity to train priests in the case of men and nuns in the case of women by 100%, 200%, 500%, and even 1,000% or more, in every sense at the financial, physical, logistical, institutional, and technological levels, so that they are already prepared and ready to receive a considerable number of adults, mostly young people, for the purpose of being trained as people with an exclusive vocation to the priesthood in the case of men and with a vocation to religious life and/or nunhood in the case of women. **We make this request to you, in view of the fact that the heavenly power and strength of the prayers of the men and women, clergy and laity who pray the Holy Rosary daily, and take this request into account, will be sufficient to weaken the evil spirits responsible for the serious shortage and/or scarcity of priests in the world today, infernal spirits that have been designated by the evil one satan solely and exclusively to guarantee the destruction of the clergy of the Roman Catholic Apostolic Church. The power of the prayers of these prayerful men and women who take this particular petition into account will reach such a point that in the not-too-distant future, the number of men with the intention of a life project to train as priests, deacons in seminaries, and women with the firm and fervent desire to consecrate themselves to God to exercise the corresponding offices of a nun, will increase by 100%, 200%, 500%, and even 1,000% or more, throughout the world. (According to calculations and estimates, the number of parishes and priests globally, currently, July 6, 2023, could serve only about 10% to 20% of the world's population, in the best of cases)**

[62] Petition to the Holy Rosary No. 15 - Petition for allowing the above petitions to be carried out before 6:00 AM or in the morning hours, for their effective fulfillment during the course of the current day, from 6:00 AM or before, until 11:59 PM (this petition only applies and only if any prayer through which the above petitions were made was carried out, before 6:00 AM

or in the morning hours: First of all, I thank you for allowing me to have been on vigil since AWAKENING HOURS, in order to carry out all the prayers completely and rigorously in the early hours of the present day before 6:00 AM, or in the morning time especially to you Lord Jesus Christ with the prayer of the Stations of the Cross and Chaplet of Divine Mercy that according to instructions given by you to Saint Faustina Kowalska, these must be prayed at 3:00 AM and 3:00 PM without fail, to you Saint Mary with the prayer of the Holy Rosary and to Saint Michael the Archangel with the prayer revealed to Pope Leo XIII / Chaplet / Rosary to Saint Michael the Archangel, all this in order to sabotage / damage / hinder the preparations that the evil spirits carry out at this time for the misfortune of the men and women who inhabit this earth today, and especially to the people of [15-1]

PLACES THAT WANT TO BE BLESSED [15-1]:

[63], and also that the strength and power of these unclean spirits be taken away, and that this strength and power be transferred to the humble, kind, good-faith people who get up before dawn to earn a living by the sweat of their brow, those who in a lively, judicious, and industrious manner are beginning their work activities at this time of the morning or began their work activities today, awake before or at the moment when the light of dawn appears at dawn, those who do not take away the livelihood of others to satisfy their pride, their ego, their personal ambition and the accumulation of material power, so that with their valuable work, effort and the sweat of their brows they achieve not only their daily sustenance and daily bread, but that the hard work of these men and women serve as an offering and sacrifice to God, for your goodness, mercy and for allowing the preparations and intentions of the evil spirits for today to be hindered once again. (*Petition added August 3, 2022 3:52 AM-5:39 AM) (Modified August 7, 2022 5:20 AM*)

[64] Petition to the Holy Rosary No. 16 - Petition for all military personnel (Army, Navy and Air Force), police patrolmen and private security services, especially those who in their work/job/occupation maintain or maintained night watch during the night and early morning of the present day and every day for the mystery of the action of prayer and the action of good works carried out, before dawn:

[65] (*Text added June 22, 2023, 2:28 AM CRBT*) I ask you for all the men and women who, from very early in the morning, hours before the morning star rises, at dawn, prepare to get ready, get ready, and subject their bodies and minds to the strictest and hardest physical and mental training of military order, to carry out acts of vigil, military-type operations, patrol work, security and surveillance work, in order to protect the fragile and innocent men and women of those people who are descendants of Cain, who, letting themselves be carried away by the illusion of the evil one, instead of acquiring the habit of diligence and hard and honest work to obtain their daily bread, what they do is resort to acts of theft, fraud, robbery, rape, extortion, kidnapping, among other acts of crime, in order to obtain wealth in an illicit manner for the pleasure and support of the plans and will of the evil one on earth (*Financing of criminal operations/terrorism/trafficking in psychoactive substances/acts of sin in houses of perdition/drug use*) and in the process, to rob them of peace and tranquility, and to attack society, the country itself, and the people who, in addition to being faithful to the divine will, are diligent and work hard and honestly, in legally and morally worthy jobs, with effort and determination to provide daily bread for their respective families. I ask you for all of the above, by virtue of the heavenly blessings and graces of Saint Michael the Archangel, who carries out the same role of security and vigilance, as general commander of the heavenly army, leading/monitoring/managing the tasks, guided and/or accompanied by the Blessed Virgin Mary, according to the Divine Will, of each and every one of the Guardian Angels assigned to all men and women who still live and dwell on earth, in particular to those men and women who belong to the Roman Catholic Apostolic Church Militant, for the purposes of the protection of these people, to the extent of their Christian virtues, good works performed, and their prayers carried out in a daily, disciplined and exhaustive manner, in particular, the prayer of the Our Father and the Holy Rosary of the Blessed Virgin Mary. We make this request by virtue of Archangel Saint Michael, the same one who when an unclean spirit, a highly fallen angel who once had the charge and responsibility of carrying the light, dared to defy the Divine and/or God's will, **Archangel Saint Michael**, Then he shouted the following loudly to Heaven:
Who is like God?

[66] I ask you for those who remained vigil during the previous night and the current morning, by virtue of their work to guarantee the tranquility and physical safety of those who rest, and so that the tranquility, integrity and/or physical belongings of these people are not outraged, we ask you for the best and greatest of graces and blessings for their lives, by virtue of the fact that, firstly, by not resting at the appropriate time, their physical essence and youth are consumed more quickly, compared to those who at those hours do have sustenance and a roof to sleep peacefully through the night, until dawn. For these people we also ask you for much protection of their physical integrity, in view of the fact that due to their work and labor, they are continually exposed to being exposed by criminals, under the influence of evil, and also, taking into account that, for a basic salary that they earn, and by the nature of their work, they must maintain not only fullness, serenity, sound judgment but also complete and full vigilance throughout the night of the previous day and the early morning of the current day, until the exact moment that the morning star rises at dawn. This request is due to the fact that just as devout people (*clergy or lay people*) They offer their spiritual vigilance service, serving through many good works, good example and behavior, service to the community and much prayer as souls of containment before the brutal, fierce and unannounced attack of infernal spirits, especially during the night and early morning hours, this, while the angels of Heaven commanded by Saint Michael the Archangel come for these infernal spirits detained by these praying people with their prayer in the early hours of the morning for their respective condemnation, during and shortly after dawn, in order to free those who pray from the burden and pressure of these unclean spirits, to prevent their entry into the earth, likewise for those who maintain physical surveillance of people for their safety and physical integrity, who accompany with their state of vigilance those who get up at dawn to face the enemy through prayer and reading of these petitions, we ask you to grant them infinite graces and blessings. (August 3, 2022, 1:05 PM)

[67] Petition to the Holy Rosary No. 17 - Petition for Catholic Bookstores/Catholic Publishing Houses:

We ask that those physical or virtual places (online stores) where their corporate purpose is the marketing and sale of books and publications that talk about Catholic doctrine, the lives of the saints, and everything related to the word of God described in the Bible, the New Testament, the four gospels, the letters of Saint Paul, and other topics related to what is established in the Catechism of the Catholic Church and with specialized publications in the fields of study of Catholic Christian Theology, Christology, Mariology, Angelology and Demonology and / or exorcisms, receive infinite graces and blessings from you, Heavenly Father God / Lord Jesus Christ / Holy Mary, in such a way that their sales are significantly increased, given that their commercial reason for being and / or corporate purpose has to do with the dissemination of the word of the gospel, the truth and how to fight the enemy in the best possible way. To the staff and workers of these places, allow them, above all, the protection of Saint Michael the Archangel, so that those whose souls we serve or serve as souls of containment through prayer may contribute to the battle against these infernal spirits assigned the task of attacking these staff and workers, so that these evil spirits do not bother these people. (Petition added August 3, 2022, 1:55 PM).

[68] Petition to the Holy Rosary No. 18 - Petition for Catholic Stores, which sell Catholic literature, statues, images of the Lord Jesus Christ, the Blessed Virgin, the holy angels, and both holy men and women printed on posters and holy cards, and other objects of a blessed nature such as scapulars, medallions of Saint Benedict, rosaries, among others:

We ask you first and foremost for the protection of these businesses by Saint Michael the Archangel, so that in the near or distant future they will not be

harassed/closed/sanctioned by the legal system, by groups of apostate people, perversely taking advantage of the laws in their favor for this vile purpose, and we ask you that for the vast majority of men and women the misunderstanding regarding the lie/heresy/blasphemy spread by many Protestant Churches be clarified, regarding the rejection of images of the Lord Jesus Christ/The Blessed Virgin/the Angels and the Saints, in relation to the exercise of the experience of faith, and the understanding of the truth that comes from the Divine Will. Allow this request to come true, by virtue of what the Lord Jesus Christ revealed to Saint Faustina Kowalska, according to what is written in the Diary of this Holy Woman, (*Diary of St. Maria Faustina Kowalska, paragraphs 47 and 48*), in which the following words of the Lord Jesus Christ are described, in an apparition of his to Saint Faustina, and these words are: “**... (47) Paint an image according to the model you see, and sign: Jesus, I trust in You. I desire that this image be venerated first in your chapel and throughout the world. (48) I promise that the soul who venerates this image will not perish. I also promise, already here on earth, victory over enemies and, above all, at the hour of death. I Myself will defend it as My glory**”. (Added December 16, 2022, 2:34 AM EJR House) Likewise, in the case of increased sales at these places, we ask for the greatest graces for these people, reflected through great physical, mental, and spiritual strength, so that, due to fatigue and physical and mental exhaustion, they do not falter, despair, lose faith, and/or fall into temptation. We also ask that there be more places dedicated to this purpose throughout the world.

[69] Petition to the Holy Rosary No. 19 - Petition for mass dissemination of the Consecration Course of the Blessed Virgin Mary and for men and women totally consecrated to the Immaculate Heart of Mary:

We ask you to give grace, blessing and strength to all the organizers of the Consecration Course of the Blessed Virgin Mary organized by the organization and/or foundation *The Heralds of the Gospel and/or Knights of the Virgin in Colombia*, in Latin American countries and throughout the world. Please grant these people all possible protection through Saint Michael the Archangel, so that they will not be harassed by the enemy. To them, their families and their community, and to all the people who know or receive this information from the Course. Please grant them the strength, disposition, and grace to not only take full advantage of the teachings of this course but also to disseminate the information of this Course massively through all possible means, including digital media such as social media and WhatsApp. Likewise, we ask that the work of spreading the gospel by this organization have all the required protection of Saint Michael the Archangel and all possible success, through his widespread knowledge among all people, through all possible means of communication. Likewise, bless with infinite graces and blessings the men and women who benefactors of this organization. Likewise, for those who subscribe to the platforms of the heralds of the gospel to take the Consecration Course, we ask for the greatest number of graces and blessings for these people and their families, and that the evil spirits destined to sabotage their intention to consecrate themselves to the Blessed Virgin through the Course be weakened/condemned/chained once again, and that their sins be forgiven. (Text added December 12, 2022, 4:39 AM) In this order of ideas, it allows all people with the disposition and/or purchasing power/economic capacity to achieve this consecration through the acquisition of the book and/or publication entitled ***Treatise on True Devotion to the Blessed Virgin*** written by ***San Luis María Grignion de Montfort***, and that these people read/assimilate/know/learn almost by heart the contents of this treatise, in order to establish/strengthen/consolidate their consecration to the Most Holy Virgin Mary, in such a way that Mary the Most Holy Virgin has complete control over the lives of these people, so that they may serve effectively as Marian agents and/or apostles of the end times.

[69-1] (Text added July 18, 2023 9:06 AM CJBT) **With respect to all the men and women who have carried out the process and/or preparation for total consecration to the Immaculate Heart of Mary** We ask you for infinite graces and blessings, that the Blessed Virgin Mary may pour out and procure her graces in an extraordinary and direct manner upon these people, in order to achieve a practically infallible protective shield against the snares of Satan and his legions of evil spirits. We ask this by virtue of the mystery of the greatness and the incredible graces that these people receive when they consecrate themselves to the Immaculate Heart of the Blessed Virgin Mary (*This is in the measure of the personal grace of each person, the prayers of these accumulated over time, and the practice of Christian virtues to absolute perfection and works of mercy, the study of Catholic doctrine*) which consists in that, the world,

(*In order to sabotage the plans of evil spirits to lead humanity to its total destruction, and to allow the power of the Divine Will to all Guardian Angels assigned to each man and woman to guarantee their protection, for the day that begins, the following must be carried out: Pray the Stations of the Cross at 3:00 AM and the Chaplet of Divine Mercy at 3:00 PM, then pray the Holy Rosary of the Blessed Virgin Mary, and in the prayer of the Holy Rosary, take into account paragraphs 14 to 31 with respect to this document, include the texts of these paragraphs in the prayer every day, and according to the day of the month, make the corresponding request, to the numeral of the same day. Then pray prayers to free souls from purgatory, such as the prayer of Saint Gertrude the Great. If you experience tiredness/discouragement/laziness/sleepiness/indisposition/psychological discomfort as a result of an infestation by evil spirits, or if the latter (infestation by the evil one) becomes too difficult to bear, pray the prayer of Saint Michael the Archangel revealed to Pope Leo XIII and/or the Chaplet of Saint Michael the Archangel. This prayer routine should be carried out exactly as explained, between 3:00 AM and 6:00 AM, taking breaks of a maximum of 5-10 minutes. Ideally, it is suggested NOT to take breaks at all, but due to human weakness, it is normal to feel tired and require a minimum of rest between prayers, to eat something light and/or attend to physiological needs and/or get some fresh air. This routine should be every day, for life, until the day of death. If it is difficult to carry out the above, due to limitations related to serious or considerable physical illness, ask a third party and/or first-degree blood relative to at least briefly consider one of these requests, accompanied by three Hail Marys and/or the Golden Hail Mary prayer revealed to Saint Gertrude the Great, preferably at any time in the morning, or if you can carry out the complete routine, so much the better.*)

of the Angels who guard the person making these requests in the early morning and/or early morning hours (*as long as you have started the prayer work before 6:00 AM or in the morning hours between 6:00 AM and 12:00 PM*). May these people and/or their families be blessed, may they never suffer from illness, may they enjoy graces both on earth and in heaven, to the extent that they forgive those who have offended them and abstain from sin, their surrender to the divine will, their exhaustive and abundant prayer through the recitation of the Holy Rosary and the inclusion of these petitions in prayer, and their abundant and significant good works, material and spiritual, and that they desist from the seven deadly sins, and may the unclean spirits assigned to these people to ensure their misfortune be weakened/condemned/chained for a good period of time.

[74] Petition to the Holy Rosary No. 24 – Petition for Jean-Claude Hollerich, Cardinal of Luxembourg, so that the Catholic Church and the Catholic people in general may better understand your ideas and proposals, with regard to respecting and understanding the human dignity that people belonging to the community deserve **LGBTIQ+ with the sole purpose of inviting these people to become an integral part of the Catholic Church, to apply and exercise Catholic Christianity in various ways (celebration of the Eucharist, good works for others, prayer of the Holy Rosary, among others), and in the process to avoid or clarify the confusion promoted by supposedly Catholic groups, which use some biblical passages and articles of the catechism to insist on the position of persecution towards this important community:**

We ask you to enlighten and enter into the heart of Cardinal Jean-Claude Hollerich of Luxembourg, so that he can best explain the idea of inviting and including members of the Catholic community in the Catholic Church **LGBTIQ+**. This initiative is NOT intended in any way to destroy families made up of heterosexual binary cisgender men and women, nor to promote the undermining of the faith of the vast majority of the Catholic people, as various people and groups of influence in the Catholic sphere have made it seem, based on misinterpretation, leading to extremism and the promotion of hatred towards this community. By virtue of this petition, let it be known to the vast majority of men and women on earth that the true trap of the evil one is NOT to influence Cardinal Hollerich so that through this initiative he promotes apostasy and the destruction of the Catholic faith, but rather to influence a very significant group of men and women members of the Catholic clergy and laity around the world so that, by committing the sin of **pride**, sin in which Satan and his most powerful lieutenants are specialists in influencing and contaminating the human race, play the role of judges, by pointing out Cardinal Hollerich and in passing accusing him of being an apostate, and in passing pointing out the community **LGBTIQ+** as the ultimate culprit of some of humanity's current ills, and as those responsible for and/or instigators of the destruction of families made up of cisgender men and women. May the Holy Spirit fully enlighten all men and women to understand the true importance of the fact that, within the context of this situation, the truly impure act and the true apostasy consist of adopting extremist positions of pointing fingers and repudiating one's neighbor in general, and within neighbor we include the community **LGBTIQ+**, and allows all humankind in general to be the **Pride** as such the true error committed, an error which is giving rise to many real evils in the world today, and in passing creating the climate and the perfect conditions for the beginning of the **THIRD WORLD WAR**.

[75] Petition to the Holy Rosary No. 25 – Petition by the German Bishops' Conference regarding the Synodal Path they propose for the entire world: We ask you to enlighten and enter into the hearts of all Catholic clergy who are members of the German Bishops' Conference, so that they may clarify as best they can some of their positions, which have only generated confusion regarding the changes they propose for the Catholic Church, changes such as, for example, including elements from other faiths in the Rite of the Holy Eucharist, among others.

[76] Petition to the Holy Rosary No. 26 - Petition by Catholic Activist Organizations: We pray for all the congregations, prayer groups, Catholic social media groups, and Catholic organizations throughout the world, their members, and their families, especially the following Catholic activist organizations:

- [77] **Catholic Solidarity Movement, Solidarity Social Research Institute, Prisa Mission, ACN Colombia, Catholic Community of the Followers of Jesus, Bonds of Marian Love, EMAUS, Radio Maria, Heralds of the Gospel/Knights of the Virgin, Catholic Biblical Apostolate, Television Channel/World Catholic Network EWTN (Eternal Word Television Network), The Catholic TV Network, Cristovisión, Minuto de Dios Radio Station.**

[78] We ask that you please grant the full illumination of the Holy Spirit and the radical and absolute protection of Saint Michael the Archangel, as well as the grace of strength of Saint Gabriel the Archangel, and the grace of physical and mental health provided by Saint Raphael the Archangel to all those who are part of and support these organizations in every way possible, and to their families, so that the goal of promoting a process of evangelization and/or strengthening the Catholic Christian Faith may be achieved, in response to the evil one's plans to destroy Catholic Christianity worldwide and to lead a considerable number of souls to hell. We also ask for infinite heavenly graces and blessings for all those who contribute in one way or another to this petition, whether by supporting these organizations, disseminating information about them to everyone, as well as for the forgiveness of sins for these people and the respective heavenly protection for them.

[79] Likewise, for the Catholic Solidarity Movement, it allows all the protection of the Holy Archangels and the illumination of the Holy Spirit in such a way that the model of the project of the Week of Love for the Catholic Church is replicated in all the parishes of the Colombian territory, and that this model is replicated successfully, massively and in the shortest time possible. It allows all the participants and organizers of this initiative all the protection in their bodies, minds and spirits, and allows all the participants and organizers without exception to achieve or carry out their total consecration to the Immaculate Heart of Mary, in such a way that all these people achieve total immunity from the attacks of the evil one.

[80] Petition to the Holy Rosary No. 27 - Petition for the annulment of infernal and/or demonic power to certain physical elements of plant origin which were consecrated to strengthen the connection of souls chosen for holiness with evil spirits for the annihilation and destruction of these souls and their physical bodies: We ask you for the infernal consecration to the enemy, which, in times past was carried out by apostate people, to certain physical elements of plant origin such as **the tobacco plant/leaf, the marijuana plant/leaf, and the coca plant/leaf**, using blood and human sacrifice of innocent people, virgin women and newborn babies, as a basic input to strengthen their evil power, by several ancient pre-Columbian populations in the American continent, over several centuries, is drastically weakened and / or totally annulled, in such a way that its modern chemical derivatives used in current modern psychoactive substances lose power and effectiveness in the task of generating the link between the souls chosen to holiness, and the unclean spirits, a link that seeks at all costs the annihilation and destruction of these souls chosen to Heavenly grace, (*Text added November 27, 2023, 6:44 AM ->*). Through this petition, may the work of establishing the Kingdom of God and the decisive and definitive triumph of the Immaculate Heart of Mary on earth be permitted. To those responsible for having carried out and/or strengthened this infernal consecration in ancient times, now deceased, allow the Divine Will to apply its full Divine justice. We ask that the apostates of the present time, practitioners of the occult, who resort to the power of evil to give efficacy and power to these physical elements and/or their modern chemical derivatives, be enlightened by the Holy Spirit for their respective repentance and conversion, or else, that they be weakened in their perverse initiative and that full Divine justice be applied to them. We ask that the evil spirits responsible for this link from these physical elements be weakened/condemned/chained by Saint Michael the Archangel. And we ask that the current generations descended from these apostate people, the power they inherited through their intergenerational factor be weakened or completely annulled, breaking completely the power link of the infernal spirits with this new offspring through the respective intergenerational factor (*Petition added October 26, 2022, 7:39 AM*). [81] Petition to the Holy Rosary No. 28 - Petition for the migrant population from Venezuela to Colombia, for the refugees in the Gaza Strip, and for those who have lost their homes due to the recent wars in Ukraine and the Middle East:

We ask you to allow the grace that gives considerable strength to the virtues of charity and mercy to fall upon the Colombian population, the population of the countries surrounding the Gaza Strip, and the countries of Eastern Europe, so that the illumination of the Holy Spirit may be upon these people, so that, practicing these virtues, they may carry out all necessary actions to support the physical and spiritual needs of the Venezuelan immigrant population in the Republic of Colombia, the refugee population formerly living in the Gaza Strip, and the people of Ukraine. And in this order of ideas, allow the enlightenment of the Holy Spirit upon the officials of the Colombian State related to the State entity Migración Colombia, and the respective foreign ministries of the countries surrounding the Gaza Strip, and all of Europe, in such a way that they receive infinite blessings, and that with this enlightenment they expedite the processes related to the Special Permit of Permanence for the Venezuelan population in Colombia, with refugee status for the exiled populations of the Gaza Strip and Ukraine. Allow the action of the Holy Spirit to fall and/or be carried out also upon the Venezuelan immigrant population, and all refugees in the world, in such a way that the infernal spirits that rule the sin of anger and laziness lose their capacity and power when it comes to disturbing these people, with the sole objective of provoking in them the respective temptations that would drive them to commit criminal acts in Colombian territory. Likewise, we pray for the excluded population of the Gaza Strip, that people throughout the world may be enlightened by the Holy Spirit so that, through voluntary contributions, they may provide food and medicine to these populations exiled from their territories.

[82] Petition to the Holy Rosary No. 29 - Petition for the weakening of unclean spirits whose task is to recruit damned souls so that they may assist these infernal spirits in the destruction and attack of the men and women who make up the Church Militant:

We ask that, through Saint Michael the Archangel, the evil spirits charged with recruiting damned souls so that they may assist and support the infernal spirits in their destruction and attack against the men and women of the Church Militant be weakened, condemned, and chained. We ask that the entire and perfect Divine Justice be applied to the souls already condemned for their evil deeds and lack of repentance, so that they may not lend themselves to supporting the evil spirits' intentions and evil actions.

[83] Petition to the Holy Rosary No. 30 - Petition for Men and Women, and especially Women with the physical and biological capacity to become pregnant and/or have children, who work as Sex Workers in order to earn a living: (Sunday, November 20, 2022, 7:07 AM GMT -5 Bogotá D.C., Colombia)

We ask that you grant the grace of the Holy Spirit and the revelation of the truth to men and women, especially women with the biological capacity to conceive or bear children, who, due to life circumstances and/or by force, must rely on the work of offering sexual services throughout the world, in order to earn their living and daily bread. Allows the enlightenment of these people, so that they realize the grave error that they commit by the fact of exercising this type of activity for the simple question that, these men and women, by profaning their bodies day by day through extramarital sexual activity and with the sole purpose of sexual enjoyment and money, instead of seeking the procreation of the human race, the only thing they achieve is to open the portals through which evil spirits previously defeated and / or weakened by the prayers of the worshippers of the militant church, distributed throughout the earth and the heavenly angels, return and enter the world again, for these spirits to continue causing more misfortune to the human race, these, more renewed and strengthened by the acts of profanation of the physical body through sexual activity which is not oriented to the procreation of the human race, but to the satisfaction of worldly pleasures, all for the satanic illusion. It allows these people the total illumination of their minds, in such a way that they achieve much greater cognitive and intellectual capacities, in such a way that these serve as input for them to work in better paid, qualified and morally more worthy jobs and/or trades, which are not oriented towards

physical sexual activity which is not intended for procreation, but rather for the professional development of these people and of society for the progress of human civilization. Enlighten all single men on earth who like and seek attraction solely and exclusively towards women, so that they take these exposed, weak and vulnerable women as wives, so that they may care for these women, watch over them and pray for them day and night, support them in their respective personal and professional projects, and most importantly, that they may ultimately unite in holy matrimony for procreation, and have children, and that these may be blessed both on earth and in eternal life, to the extent that these fulfill the Divine will. All of the above is asked in such a way as to minimize any probability that these people, and especially binary/cisgender women and/or those capable of achieving pregnancy and having children, fall into the perfidy of being forced to survive and earn their living through undignified, degrading and humiliating sexual work. And in the same way, we ask you to enlighten men and women freed from this yoke or subjection of having to profane their bodies for daily sustenance, so that you may allow the grace that gives considerable strength to the virtues of charity and mercy to fall upon these people, so that they may not see or perceive people who engage in sex work in a contemptuous and discriminatory manner as agents of evil, bearers of curses, temptation, lust, and sin, but rather as blessed creatures of God, deserving of the greatest piety and mercy. Grant this enlightenment in such a way that these people, freed from the tyranny of infernal spirits by no longer being subjected to profaning their bodies for money, may support this petition in various ways, such as supporting Catholic foundations dedicated to this purpose, offering much prayer, directly assisting these people, among other tasks.

[84] Petition to the Holy Rosary No. 31 - Petition for all Catholic and Protestant Christians throughout the world, and especially for those lay people/parishioners, who through their prayer, good will, fasting and sacrifices, must endure and bear again and again the attacks day and night, the pressures and the misfortunes of the evil spirits/demons/rebel or fallen angels, commanded by Satan: We ask you to allow the grace of the Holy Spirit and the revelation of the truth to men and women, regarding the mystery of the daily and constant spiritual struggle or battle of having to endure the relentless attack of unclean spirits through mental/psychological ailments, unfortunate acts in life, temptations, misfortunes and illnesses, among others, especially the attacks that are focused against the virtues of chastity and purity. Allow men and women who constantly fight daily in a titanic way to maintain their faith, their chastity, their purity, their vocation to charity, resisting the perfidies of Satan this mystery, which consists in the fact that, these evil spirits, when attacking/subduing these people, in order to achieve their objective, must make use of a power (the fallen angels), the same that was granted to them, at the time of their creation as Celestial Angelic beings. And this considerable power of these demons, to the extent that the man and woman alive in body and soul resist the attacks without fainting, this power on the part of the evil spirits is significantly exhausted, without any possibility of recovering it again, weakening these unclean spirits, all this to the extent of the resistance of the man and woman attacked to fall into temptation or a state of lack of faith. And that this power is transferred to the human race victim of demonic attacks, if they successfully resist these attacks and incidentally achieve the rigorous minimum requirements to achieve holiness and most importantly the salvation of many souls and therefore, enter Heaven, and how men and women will have these powers transformed into heavenly blessings and graces which literally do not fit in the head of any human being, once the soul achieves the merits to enter heaven, either directly or through purgatory. (*Petition added May 20, 2023, 7:32 PM*)

[85] Petition to the Holy Rosary No. 32 – Petition from and/or for the Rich (Men and Women who are perfectly well off in life and who have never lacked excellent education, food, decent housing, well-paid work, professional success, health, employment, or some privileges such as luxury cars, trips abroad, designer clothes, social and professional recognition): (*Text added June 11, 2023, 5:32 AM*) We ask that upon the rich/wealthy people (according to the title of this petition) fall infinite blessings, so that in the end they not only make daily prayers in thanksgiving to you God the Father/Lord Jesus Christ/Saint Mary for the great material and economic prosperity they have enjoyed in their lives, but that the unclean spirits that scourge and have scourged these people,

in particular those commanded by the lieutenant demons of **Satan** that govern the sin of the **pride**, the **gluttony** and the **avarice**. Through the prayers of these same men and women, and those of all those praying the Holy Rosary around the world, may they be totally and/or definitively defeated, condemned, weakened, and chained by Saint Michael the Archangel. Allow these materially privileged men and women to know that by allowing themselves to be invaded by pride, gluttony, and avarice, they only guarantee the strengthening of evil spirits in the same way, or much worse than those who allow themselves to be dominated by the sin of lust through typical faults and/or acts that attack chastity and purity, such as **fornication**, the **adultery** and the **sodomy**, or those people who are dominated by the sin of the **Gonna**, commit acts of homicide. (*Text added June 23, 2023, 1:43 PM*) Likewise, for these privileged people in regards to material matters, it allows enlightenment so that they may acquire the vision which will allow them to understand the importance of resorting to the intercession of the Blessed Virgin Mary and the prayer of the Holy Rosary every day for life, in such a way that they have the technical and material disposition to allocate and/or have important economic resources in the investment of advertising media on open billboards and/or guidelines on radio and television, for the development of advertising intended to disseminate everything related and concerning the issues of the truth of the Gospel, the importance of using the Blessed Virgin Mary for the purposes of the fight against the current apostasy, the latent risk of a third world war and the constant deterioration of the lives of many men and women, and the dissemination of information from internet pages of Catholic content, Catholic bibliographic material, such as *The Treatise on True Devotion to the Blessed Virgin by Saint Louis Marie Grignion de Montfort*, among other elements and intellectual inputs of important and fundamental Christian Catholic order for the fight against evil, whose name is **Satan**.

[86] **Petition to the Holy Rosary No. 33 (Every day) – Petition for all humankind that inhabits the earth, so that once and for all, by any means through the practice of Roman Catholicism and the prayer of the Holy Rosary, the power of Satan and his legions may be suppressed once and for all to take away this power over all men and women so that the latter may definitely stop committing the gravest capital sin of all THE PRIDE** We ask you for all the men and women who

inhabit the earth, so that they, regardless of their condition for reasons of age, religion, nationality, race, education, economic and social condition, gender, sexual and/or gender orientation, or social or cultural group equal, similar or different to all groups of militant lay men and women of the Roman Catholic Apostolic Church, may be allowed the total illumination of the Holy Spirit so that they may resort to the prayer of the Holy Rosary of the Blessed Virgin Mary to reduce the great number of problems that are generated in the world, due to the fact that these men and women are committing practically daily and in all places, and at all times, the most lethal and most serious capital sin of all, that of **Pride**. It allows this illumination by the Most Holy Spirit, by virtue of the mystery or the fact that **Satan** He has and/or has been granted a great faculty and a great power, which he can transmit to his respective lieutenants of the infernal legions, and these latter in turn to the other demons, to corrupt and destroy humanity completely, by influencing them to make the human race commit the capital sin of **Pride**, for the simple fact that **Satan**, when at some point in the history of the spiritual world, this was an angel of light, whose name was **Lucifer**, He took advantage of and transformed all his angelic elements of considerable power accumulated by him through his own way of understanding and discerning about faith, divine mysteries, wisdom and knowledge, angelic elements coming from God to only fulfill the will of God, he used these elements to supposedly achieve more power, more capacity and better execution of projects originating from his own will and not that of God, and allow a source of great power, but without control capacity and without the ability to be used for the purposes of God solely and exclusively, and without the respective permission / approval / approval / prior consultation / approval of God, which in the end became corrupted and turned out to be an immense source of absolute evil, which gives rise to the **Pride** as such, which is what originates in the mind, spirit and psychology of the vast majority of men and women who still live on earth, through the influence of the evil one using this power, all this when he was previously a heavenly angel, to corrupt them and transform them into a supreme force with which **Satan** supposedly

and illusorily intended to usurp the throne of God, an evil force which to this day is what allows **Satan** to enter practically the soul and hearts of all mankind to carry out all necessary actions and bad works in general which are inspired by the **pride** as such, in each of these. (*Text added July 25, 2023, 7:34 AM*) It allows all men and women who still live and dwell on earth to truly understand how the origin of evil works from the most lethal capital sin of all, which is **Pride**, and how this sin is responsible for the circumstances which lead men and women to commit acts of sin with respect to the other capital sins. **Pride** generates pride and the person does not tolerate the blessings that others receive and this one does not, or due to the Satanic illusion of believing themselves to be perfect and superior, for not belonging or not sharing the interests and values of a different and vulnerable population group, due to their pride, this gives rise to the capital sin of **envy**, the **avarice** and the **gonna**, which gives rise to behaviors that lead to bad thoughts and bad deeds, all because of the power that the Satanic illusion exerts and has exerted over all men and women who supposedly believe they have power in every way, especially in the material and economic in the vast majority of cases. The human being is envious of others for various reasons, solely and exclusively the work of evil, however, the person does not realize this fact, but falls into the Satanic illusion that their neighbor surpasses them in some way or another, and this mortifies them. Then, to achieve a degree of superiority, the person resorts to all possible ways to accumulate power in the shortest possible time and applying the law of least effort to the maximum, especially in the economic field, to alleviate the mortification that **envy** generated him, leading him to commit the sin of **avarice**, and if things do not go as expected, in the sense of not quickly achieving this material power (getting rich quickly) this person ends up committing the sin of **Gonna**, or the sin of the **Gonna** by pride in the sense that he is capable of assuming functions that only correspond to God, such as issuing judgments, applying justice by his own hands, committing murder, or committing murder also for the sin of the **avarice**. When these men and women have evil thoughts, judge the evil deeds and evil works of others, have evil feelings and commit evil deeds, as a consequence of all the above, the heavenly guardian angels are empowered to reduce their protection to their respective souls assigned to protect and care for, and thus the demons are allowed to intervene to finally give rise to the remaining capital sins which are **laziness, gluttony and lust** (*Text added March 5, 2025 3:49 AM In the special case of lust and gluttony, speaking with respect to gluttony, we are not necessarily talking about eating and/or spending excessively, or the issue of following fashion in regards to clothing and/or dress, which in itself is already gluttony. In the case of the consumption of psychoactive substances this applies perfectly, in the sense that several psychoactive substances, at the time of their respective consumption, generate a very strong aphrodisiac effect, combining a powerful physical, mental and psychological stimulus, a product of the creation and/or strengthening of the satanic bondage, which within the action of the hallucination or psychological stimulus feeds the sexual fantasy and/or fetish, which is really the beginning or origin of the satanic illusion. By carrying out these acts, the evil bondage together with the satanic illusion already inoculated in the mind of the person, invites him once again and again to repeat the same process, over and over and over again, to the point of 1) exhausting his economic resources 2) Altering the natural order of his life, his employment, his true relationship as a couple of marriage and his family and 3) Finally exhausting his physical and health resources to the point of achieving his total deterioration in every sense, but not the decrease but the increase of the evil bondage which strengthens the satanic illusion even more.*), and by committing these latter sins, the fallen angels and/or evil spirits are allowed the faculties and powers to bring about the ruin of the souls of men and women still alive, thus beginning a vicious cycle of sin, of increasing evil power, each time without the ability to control, and with progressively more lethal effects as it progresses, for the body, soul, spirit and life of this person during his or her stay on earth, to such an extent as to guarantee the full and total condemnation of this person's soul to hell. Within this act of illumination of the Holy Spirit, allows all mankind to benefit from the action of the illumination of the Holy Spirit, also the result of the extraordinary strength and power to which the Heavenly Angels have access, and who very intelligently, wisely and sensibly did not fall into the terrible apostasy of defying and disobeying God, unlike the Angels who were influenced by **Santanas**, power which the angels of heaven have full access to in order to achieve their main function of assisting humanity in all their needs on earth, at the right time that man and woman which or which overcomes or is not a victim of falling into the temptation

of the capital sin of the **Pride** They assume an attitude of wholeness and perfection **humility**, and within this state of **humility** this man and this woman **1) They recognize God as their Lord and Creator, they recognize that their lives are destined solely and exclusively to fulfill the will of God, and that they only reach God the Father through our Lord Jesus Christ, directly if they have most excellent virtue and / or authentic and true repentance, or through the intercession of the Most Holy Virgin Mary before our Lord Jesus Christ in other cases, primarily with the practice of Christian virtue with the best possible effort and the daily prayer**

of the Holy Rosary daily and for life, in order to resort in a generous and extraordinary way to the most excellent, incredible, phenomenal and selfless intercession of the Most Holy Virgin Mary before God the Father and God the Son **2)** They assume an attitude of total and absolute obedience, especially with regard to loving God and their Neighbor, as a main commandment, and of assuming and accepting their own current reality as a product of the entire will of God in their lives, according to the circumstances of life that they have lived until the present date, circumstances of life that in the great majority of the cases is not entirely favorable to these people **3)** When despite the above, of having lived and are living extremely adverse life circumstances, if life changes for the better, these men and women immediately resort to good works in regards to loving their neighbor and performing infinite prayer of thanks to God for the new blessings received, until the end of their lives **4)** When they give a significant and/or work of mercy, both spiritual and corporal, to the poorest and most needy in regards to needs of all kinds **5)** They learn to the extent of their abilities, their personal circumstances and over time to distinguish divine reality from illusion **satanic** which is mainly fed by the bad works and/or lack of prayer and good works of the men and women who still live on earth, fruit of the capital sin of **pride**, in such a way that, to a certain extent, they manage to apply almost all of the seven Christian virtues and/or absolutely all of the Christian virtues in the case of supreme prayers, in their lives permanently, for life and practically to perfection. **6)** They realize the great importance of praying the Holy Rosary, and of not failing in this initiative, on a strictly daily basis and for life, taking very, very much into account the content of this document of 33 petitions. Within the context of this petition, we ask for the physical, mental and spiritual health of all men and women of the world who are truly humble of heart in general, in every sense, and especially for those who frequently pray the Holy Rosary of the Blessed Virgin Mary, who with their humble attitude and their practice of prayer are stopping **Satan** and his legions from their perverse and destructive initiatives against the human race, which if they come to fruition, would lead to the Divine will ordering the heavenly angels to take the necessary actions to generate hunger, disease and physical destruction on earth. Allow those who read this petition to know the tremendous power granted to the **Blessed Virgin**

Mary to command all the Angels of Heaven, and keep **Satan** controlled or at bay, with the sole purpose of continuing to delay what apparently is already imminent, such as a series of geological events that will generate extreme destruction in the world (earthquakes, volcanic eruptions) or even worse, the start of the **THIRD WORLD WAR**, and that this great power was granted by the Divine Will to the Blessed Virgin Mary precisely because of her condition of extreme humility, which is the Christian virtue that goes against the deadly sin of **pride**, and how the Blessed Virgin Mary is empowered by the divine will to exercise and apply this power, this to the extent of practically the very excellent and almost perfect behavior of humanity, and a very considerable and urgent increase in converts to the Roman Catholic Apostolic Christian religion and those who pray the Most Holy Rosary of the Blessed Virgin Mary, around the world.
